Dear Cougar Parent,

Kolb Middle School will be launching an after school Tutoring Center that will be open for every student on February 20th and run through May 24th. The credentialed teachers that will be tutoring our students are experts in their subject area and are enthusiastic about providing academic support to Kolb's students. Kolb's Tutoring Center's administrative and faculty team are excited to extend specific tutoring options for your student to participate in Kolb's Tutoring Center. - Participate in the Tutoring Center's school wide intervention academic programs scheduled by the administrative and faculty team. For these programs students will be designated and parents/guardians will be notified that their students have been recommended to participate.
