

# MILOR HIGH SCHOOL & ZUPANIC HIGH SCHOOL

## MISSION STATEMENT

The Mission of Milor and Zupanic High Schools, a healing space for students to evolve in academic, emotional and physical intelligence, is to ensure that every student achieves their goal of graduating high school equipped with a plan that provides them personal and professional fulfillment through a vital system distinguished by:

#1

Positive relationships with students that extend beyond the campus and classroom from teachers who are passionate about student success.

#2

A smaller classroom environment where students receive individualized, quality instruction.

#3

Establishing a comprehensive graduation plan that includes support for restoration of academic and emotional self-efficacy through SEL programming.
