GENERAL INFORMATION

Accidents/Emergency Cards: The RUSD Board of Education and Milor High School does not and cannot assume any responsibility for accidents or injuries to students while on the school grounds or participating in school-sponsored off-campus activities. In case of an accident to a student, the school nurse or other staff member trained in first aid will render services until the parent(s) or family medical advisor can be summoned. The emergency card listing your preference of family medical advisors and others to be contacted in case of accident or illness is extremely important to your son or daughter in case of an emergency. (Board Policy 5141)

Baked Goods or Homemade Food Products: Homemade food or baked goods are prohibited on campus and may not be distributed to the student body because doing so may place the District at risk. All food consumed by students must be a shelf staple, store-bought pre-packaged food item. In the event of a lawsuit, the District must be able to show that the food preparer used reasonable care during preparation. Written standards, procedures and inspection results are the keys to this defense. Such controls would be difficult to enforce in the privacy of one's home.

Bicycles/Skateboards: Bicycles and skateboards should be secured in the bicycle/skateboard racks by personal padlock in the secured gated area in the front of the school. The RUSD and school will not be responsible for bicycles or skateboards which are lost, stolen or damaged. Due to liability concerns, bicycles, skates, skateboards, roller blades, etc., are not to be ridden on campus. To comply with the California Bicycle Helmet Law and reduce the number of bicycle-related head injuries, all students are strongly encouraged to wear a bicycle helmet while riding to and from school. (California Vehicle Code Section 21204/21212)

Charges/Fines: Students are charged for lost or damaged books (costs vary). Lost I.D./library cards and barcodes removed from books are assessed \$5. Payment can be made by *cash or money order* only (no checks are accepted). (Board Policy 3260)

Classroom Visits: Parents have the right and are encouraged to visit their student's classroom(s). Parents may obtain a Visitor's pass from the front office. Parents are asked to call at least 24 hours prior to when they would like to visit and wear a visitor's pass at all times while on campus. A courtesy notification will be made for the teacher(s).

Closed Campus: “In order to keep students in a supervised, safe and orderly environment, the Board of Education established a closed campus policy at all district schools.” Milor High School is a closed campus. Students are to remain on campus for the length of the school day unless authorized release has been given. “Students who leave school without authorization shall be classified truant and subject to disciplinary action.” (Board Policy 5112.5) All visitors must check in with the receptionist and be given a valid visitor’s pass before entering the campus. (Board Policy 1250)

Cell Phone Policy (Mobile Communication Devices)
Rialto Unified School District

High School: Students may use cell phones, smart watches, pagers, or other mobile communication devices on campus during non-instructional time, such as before/after school, lunch and passing periods; as long as the device is utilized in accordance with law. Devices must be turned off and not visible during instructional time, which is designated by the school’s bell schedule.

When a student uses a mobile communication device in an unauthorized manner, the student shall be subject to progressive consequences and a restorative process.

- Early Intervention includes conducting restorative conversations with the student.
- If a student does not follow the expectation of the policy after the restorative conversations, the consequence shall include confiscation of the phone by a school official in accordance with law.
 - The employee shall store the device securely until it is returned to the student or turned over to the principal or designee, as appropriate. When a device is confiscated, the student shall have it returned at the end of the period or school day.
- A parental pick-up of the device at the end of the school day shall be required for students who have not followed the expectations of the policy on multiple occasions.
- If a student continues to not meet expectations of the policy, the student shall have his/her cell phone privileges revoked for the remainder of the quarter/semester/trimester.
- In cases of severe incidents, such as distribution of pornography, severe cyber bullying, or terroristic threats; the student shall be prohibited from possessing cell phones, smart watches, or pagers while on school grounds for the remainder of the current school year.

***A student shall not be prohibited from possessing or using a mobile communication device under any of the following circumstances:*

- *In the case of an emergency, or in response to a perceived threat of danger*
- *When a teacher or administrator grants permission to the student to possess or use a mobile communication device, subject to any reasonable limitation imposed by that teacher or administrator*
- *When a licensed physician or surgeon determines that the possession or use is necessary for the student's health and well-being*
- *When the possession or use is required by the student's individualized education program*

Hall Passes/Library Passes/Passing Periods: Each student is responsible for passing quickly to each class to avoid being tardy. The passing period is 5 minutes in length. No student shall be allowed to travel on the campus during class time unless he/she has a valid hall pass. Teachers will only give hall passes for emergency reasons. Students should take care of all personal needs during the passing period and lunch. Students need to have a pass when entering the library during class time.

Health Office: Milor High School provides a part-time school nurse and Health Clerk. With the exception of emergencies, students who are ill should request an authorized hall pass from the teacher and report to the Health Office. In case of an accident to a student, the school nurse or other staff member trained in first aid will render services until the parent(s) or family medical advisor can be summoned. The emergency card listing your preference of family medical advisors and others to be contacted in case of accident or illness is extremely important in case of an emergency.

Homework Assistance: Teachers have regular times scheduled to provide academic support and tutoring to students enrolled in their classes. They may also schedule times for students to receive assistance whenever necessary. Students are encouraged to discuss and arrange such times with their teachers.

Insurance: A group student accident insurance plan is available on a voluntary basis to every student registered in the Rialto Unified School District. The specific plan specifies that the insurance agent assumes all administrative processes. (Education Code 49470, 49472) Applications for insurance are available from the front office.

Internet Acceptable Use Policy: The network is provided for employees and students to conduct research and communicate with others on academic topics. Individual users of the district computer networks are responsible for their behavior and communications on those networks. It is presumed that users will comply with district standards and will honor the agreements they have signed. Violations of the district policy described in the Student Acceptable Use Policy for Internet and E-Mail Access will result in access privileges suspended or revoked as well as other disciplinary or legal action.

Laptops: Students are prohibited from tapping into local wireless networks (School or Private Networks) to gain access to the internet. Students may use school computers that are connected to the internet on a protected network. Appropriate discipline will be enforced.

Medication: Please notify the school nurse if your doctor has prescribed medication for your son/daughter to take during the school hours or school activities. State law requires that in such circumstances no student shall be given medication (including inhalers AND “over the counter” medication such as Tylenol, cough suppressants, etc.) except upon written request from a California licensed physician/healthcare provider who has the responsibility for the medical management of the student. A request form is available from the Health Office and must be completed by the student’s physician, signed by the parent/guardian, and returned to the nurse at Milor High School. All prescribed medication must be given to the nurse who will have it dispensed as directed by the physician. Students are not permitted to carry medication on the school campus unless specified by the physician on the school’s request form. Medications must be in a clearly labeled container with the following information: student’s name, physician’s name, name of medication, dosage and schedule, and date of expiration of prescription. For further information, please contact the Health Office.

Messages and Deliveries: When lessons are interrupted, learning stops. In order to minimize interruptions in the classroom, parents are requested to leave forgotten items at home. The school will not accept or hold: homework, projects, notebooks, lunches or lunch money, gifts, flowers, messages, balloons, cakes or other items to students. Students are also prohibited from bringing items such as; home cooked food, baked goods, balloons, flowers, etc. **Deliveries of any kind to the school or any part of the campus for a student are prohibited this includes and not limited to the ordering of food through technology companies such as DoorDash.** Please be advised, that such food is considered to be competitive and is not in compliance with our District’s Nutritional Policies.

Personal Property: Students assume all responsibility for loss, damage or theft to their clothing, equipment, books, cash and other belongings. Books, personal items or other equipment must be kept with the student at all times. Any items that are oversized, a distraction to the instructional process or a safety hazard during school hours, such as, amplifiers, guitars, skateboards, sports equipment, etc., may also be confiscated. *All confiscated items will only be returned to a parent/guardian with appropriate identification. Administrators/school personnel will not conduct searches for lost/stolen items. Students who choose to bring these items to school do so at their own risk.*

Poor Progress Notices: Approximately 5 weeks into each quarter, progress reports are mailed home to students who are IN DANGER OF RECEIVING a “D” or “F” at the quarter. These reports indicate why a student is not succeeding. Parents/guardians should contact their child’s teacher or counselor to arrange a conference. *Please notify the attendance office immediately if there is a change in parent’s address, contact numbers, or email address.* (Ed Code 49067)

Report Cards: Students will receive four report cards during the year. Each report card will have the student's grades for each class and may have comments from the teacher. *Please notify the attendance office immediately if there is a change in your address, contact numbers, or email address.* (Ed Code 49067)

Report cards are available according to the following schedule

Vehicles on Campus/Parking: Parking a vehicle on school property is a privilege given to students by the District. Students must park in the student lot during school hours and must obey the 5 m.p.h. speed limit. This year we will issue student parking permits through the front office. You must bring your driver's license and a valid proof of insurance in order to receive a permit to park in the parking lot. Students/cars without a valid/current permit are subject to be towed at their expense. Students who park in the Milor/Zupanic High School parking lot in front of the school must have a parking permit on display. **Vehicle Code 21113** will be enforced on campus. All students are required to fill out a parking permit form and display the parking permit on the rear view mirror of their vehicle when parking in the campus parking lot.

Violations of the rules may result in loss of parking privileges, disciplinary actions and/or citations issued by the Rialto Police Department. (CVC 21113) Except in designated parking areas, motorcycles and all other motor-driven vehicles are prohibited from school grounds at all times with the exception of Americans with Disabilities Act (ADA) approved mobile equipment. Except for motor vehicles of employees and students holding off-street parking permits or visitors and persons conducting school business, no motor vehicles will be permitted on school property without special permission of the principal. Reserved parking shall be provided for the handicapped. (Board Policy 3513.2)

Visitors must enter the school through the main entrance between the hours of 7:00 a.m. and 4:00 p.m. Visitors must check in and will receive a pass from the front office and must go directly to the location requested. (Board Policy 1250) Parent visitation rights forms may be obtained from the front office.

COUNSELING SERVICES/EDUCATIONAL ALTERNATIVES

The Counseling Office at Milor High School attempts to meet the needs of all students. The Counselor continually assesses student progress and, as needs change, student programs are adapted to provide the most appropriate services. Parents are encouraged to keep the counselor informed of any conditions at home which may impact student performance at school.

Comprehensive Guidance: Milor High School's counselor is proactive and student-centered. The counselor seeks to develop a shared responsibility with parents and students to promote a stronger partnership between the home and the school. School counselors are trained to help your student with educational planning, career decisions, understanding test scores, and personal concerns. Certain information of a personal nature that students share with a counselor is confidential (private) and told to no one else without a student's permission. Some exceptions to this rule are:

- A counselor must report child abuse and child neglect
- Sexual abuse
- Situations involving a clear and present danger to the student or others
- Planned, attempted, or perpetrated criminal activity

In addition, the counselor will have to testify or give information when ordered to testify in any judicial or administrative hearing. If the counselor makes a referral to a health care provider (psychiatrist, physician, psychologist, or therapist) some information will be given; but such situations are rare. Be assured that California law generally requires the counselor to keep certain information confidential, unless one of the legal exceptions applies or the student gives permission for the counselor to reveal such information.

Appointments: When a parent/guardian wishes to make an appointment to discuss the student's work or general behavior, phone and ask for the counselor. Appointments with students are made before school, during lunch, or after school. Students are not to schedule an appointment between classes.

Educational Alternatives: Call or make an appointment with your counselor when considering one of the following programs:

- **Adult Education:** Students who are 18 years old may enroll in the Adult Education School. Students over 16 who have a need to attend concurrently while attending Milor High should see a counselor for information.
- **Home/Hospital Study:** Students who are unable to attend the comprehensive school due to an extended illness (minimum of four weeks), may have a home teacher assigned for the period of their illness. Please contact the school nurse at 820-8110 X105.

ATTENDANCE

Attendance Clerk Phone Number: 820-8110 Ext. 1114

The Board of Education believes that regular attendance plays an important role in student achievement. The Board shall work with parents/guardians and students to ensure their compliance with all state attendance laws, and may use appropriate legal means to correct problems of chronic absence or truancy. (Board Policy 5113)

Attendance will be monitored closely at Milor High School and, as mandated by law, we report student attendance to various state agencies. If the student is on probation, has received a truancy citation or if the parent is involved in the CalWorks program, we provide attendance verification to these agencies. It is, therefore, extremely important that students under these conditions attend school regularly and that parents keep in contact to ensure that the attendance and grades meet the requirements of the contracts they have signed.

Regular Attendance and Learning are Related: Milor High School is committed to promoting and recognizing outstanding attendance, as well as assisting students and their families with attendance problems. A student's absence must be verified within 24 hours. An absence may be verified in one of the following ways:

- The parent/guardian calls the attendance office on the day of the absence.
- The student may bring a note that includes date(s) of absence, reason for absence, student's full name, grade, parent/guardian signature, and home/cell/work telephone number, and submit it to the attendance office.
- A student arriving at school 20 minutes after school starts must have the absence cleared by a parent/guardian, or he/she will be marked truant. **Students arriving more than 30 minutes late after the first period begins will be marked absent for that period.** The absence must be cleared by parent/guardian or it will be changed to truancy.

Remember: If a student will be absent for an extended period of time due to illness, surgery, vacation, or family business, the parent must call the attendance office prior to the absence.

Tardy Policy: Each student is expected to be in class ready to work before the tardy bell rings. The five minute passing period between classes is to be used for going from one class to another with a two minute warning bell. Tardies disrupt class proceedings and distract other students from instruction. In order to eliminate, or minimize, these situations, parent cooperation is needed.

Excused Absences: Absence from school shall be excused only for illness, doctor/dentist appointment, bereavement of an immediate family member or court ordered appearance as permitted by law, Board policy and administration regulations. (Education Code 46010.5, 48205, 48216)

Students should not be absent from school without their parents/guardians' knowledge or consent except in cases of medical emergencies.

Student absence for religious instruction or participation in religious exercises away from school property may be considered excused subject to administrative regulations and law. (Education Code 46014)

Unexcused Absences/Tuancy: The Superintendent or designee shall implement positive steps to reduce truancy, such as communication with parents/guardians and the use of student study teams. As means of correction of truancy, students will receive any of the following consequences: Citation, and SART (Student Attendance Review Team). The District participates in the School Attendance Review Board as allowed by law in order to meet the special needs of students with school attendance or behavior problems. When the student's attendance problems cannot be resolved through the completion of an attendance contract or the student and parent/guardian have failed to respond to the directives of the School Attendance Review Board to correct the problem, the parent/guardian of the student may be referred to the Rialto City Attorney and Municipal Court for possible legal action. (Board Policy 5113)

Early Dismissal: If a student needs to leave campus early, he/she must bring a note from the parent to the attendance office before school. The request will be verified by the attendance office and a permit issued to the student. If the attendance clerk is unable to verify a request for early dismissal with parent or guardian, such request may be denied or result in a late release. The student must sign out at the attendance office before leaving campus. Students who are eighteen (18) years of age should expect parent notification prior to early dismissal.

Tuancy: Rialto City law enforcement officers work closely with school principals to identify, report and return to school those students found in the community during school hours. Parental cooperation is essential. State law requires Rialto schools to refer parents who fail to respond to school-level counseling to the Student Attendance Review Panel (SASP) for a non-attendance hearing. The consequences of failure to attend school regularly are defined by California's Compulsory Attendance Law which requires school enrollment and attendance from age 6 to 18 or high school graduation. The District is required to monitor truancy/non-attendance, and it will refer parents and students to the office of the District Attorney if other efforts are not effective. At MHS, as means of correction of truancy, students will receive any of the following consequences: mandatory Saturday School, Citation, and SART (Student Attendance Review Team).

Daytime Loitering Ordinance: The City of Rialto has an active “Daytime Loitering” ordinance which prohibits any minor to loiter, idle, wander, stroll, or play in or upon public streets, highways, roads, alleys, parks, playgrounds, parking areas, or other public grounds, public places, places of amusement and eating places, vacant lots or other unsupervised places, or any place open to the public when said minor’s school is in session. The other areas we serve have similar ordinances and local law enforcement enforce these ordinances and students in violation of the ordinances may be cited, resulting in the student and parent/guardian being required to appear in court. Fines (as much as \$250.00) may be imposed by the court and students often required to perform community service. Additionally, it is unlawful for the parents, guardians or other adults having care and custody of a minor to violate these ordinances. Parents, guardians, or other adults in violation of these ordinances are subject to a fine not to exceed \$1,000 and may be required to perform community service. Should truancy become a serious student problem, every effort will be made to address the difficulty. It is our intention to assist the student in resolving such dilemmas. Parents, students, and administrators must work together to make that possible. Therefore, truanancies will be dealt with by the various intervention methods listed below:

- Parent notification.
- Student-administrative contracts.
- Parent/student/administrator conference.
- Excessive absences may result in a class schedule modification.
- Student Attendance Support Panel (SASP) - This meeting is an attempt to resolve attendance obstacles. This panel is composed of community members who meet to review cases referred to them by the school through our district office. Referrals are made for students with extreme attendance problems, habitual tardiness and/or truanancies.

18-Year-Old Students: Any students who have regularly progressed through school and who become 18 years of age while in high school may continue to attend until graduation, provided they maintain satisfactory levels of effort/performance and conduct. Students who have withdrawn from school and present themselves for re enrollment after they have reached the age of 18 may be referred to the district Adult Education or college programs suitable to their needs.

(Board Policy 5131)

Bullying/Cyberbullying: “Students may submit a verbal or written complaint of conduct they consider to be bullying to a teacher or administrator. Complaints of bullying shall be investigated and resolved in accordance with site-level grievance procedures specified in AR 5145.7 - Sexual Harassment.

When a student is suspected of or reported to be using electronic or digital communications to engage in cyberbullying against other students or staff, or to threaten District property, the investigation shall include documentation of the activity, identification of the source, and specific facts or circumstances that explain the impact or potential impact on school activity, school attendance, or the targeted student’s educational performance.

Students shall be encouraged to save and print any messages sent to them that they feel constitutes cyberbullying and to notify a teacher, the principal or other employee so that the matter may be investigated.

Any student who engages in cyberbullying on school premises, or off-campus in a manner that causes or is likely to cause a substantial disruption of a school activity or school attendance, shall be subject to discipline in accordance with District policies and regulations. If the student is using a social networking site or service that has terms of use that prohibit posting harmful material, the Superintendent or designee also may file a complaint with the Internet site or service to have the material removed.” (Board Policy 5131)

The following are the State laws regarding students’ duties:

- Every pupil shall attend school punctually and regularly; conform to the regulations of the school; obey promptly all the directions of his teacher and others in authority; observe good order and propriety of deportment; be diligent in study; respectful to his teacher and others in authority; kind and courteous to school mates; and refrain from the use of profane and vulgar language. (CCR Title 5 300)
- Pupils’ Duty to Remain at School: a pupil may not leave the school premises at recess, or at any other time before the regular hour of closing school, except in case of emergency, or with the approval of the principal/principal’s designee of the school. Students who are eighteen can be dropped from Milor if they withdraw from school or have excessive attendance issues. (CCR Title 5303)
- All pupils shall comply with the regulations, pursue the required course of study, and submit to the teacher’s authority of schools. 1993 (EC 48908)

Progressive Interventions: Violations of school rules and/or Education Codes will result in a variety of interventions. Consequences may include any of the following methods depending on the severity of habitual behavior of the student:

- Classroom suspension: Student removal by instructor from classroom for violation of Education Code 48900 for one or two days, subject to the requirements of Education Code 48910.
- Teacher referral: In order to provide effective instruction for all students, teachers will not tolerate disruption of the learning and teaching process. Those students whose behavior continually disturbs the class will be sent out of the classroom on an office referral. The student will receive disciplinary action based on his/her accumulation of behavioral incidents. Classroom suspensions are cumulative throughout the year and subject to the requirements of Education Code 48910.
- Suspension: Removal of a pupil from the instructional program for a period of one to five days, subject to the requirements of Education Code 48900, 48900.5
- Recommendation for expulsion: Recommendation made to the District for removal of a pupil from Rialto Unified School District subject to the requirements of Education Code 48900.
- Police intervention: By law enforcement agencies for violation of the law.
- Citation: Will be issued by the School Resource Officer for violation of the law.
- Police report/arrest: Police action may include police report, citation and/or arrest for any violation or criminal activity in or around campus.
- Student Study Team (SST): A process where the student, guardian, teachers, counselors and administrators evaluate the student's performance and behavior to provide academic and social interventions.
- School Attendance Review Team (SART): This process enables the school, parent and student to meet and sign a contract regarding excessive attendance issues to try and resolve before the student is referred to the Student Attendance Review Panel (SASP). This contract becomes effective between the student, parent and the school.
- Student Attendance Review Panel (SASP): The School Attendance Review Board is a cooperative effort among the Police, Probation, District Attorney, Social Service Agencies, Schools and others. The overall goal is to assist the schools in their effort to improve student attendance and academic performance. SASP does this by working with the schools, families and students. SASP can suggest alternatives, point families to resources and impose penalties for those whose attendance does not improve.

PBIS OVERVIEW

What Is Positive Behavior Intervention And Support?

Positive Behavior Interventions and Supports (PBIS) is an approach to supporting positive behavioral development among all students. PBIS was developed from research in the fields of behavior theory and effective instruction. PBIS supports all students through reinforcement of concrete behavioral expectations and provides a continuum of intervention that gives each student the appropriate level of behavioral support necessary to ensure success. This support is organized into three distinct tiers. Tier I supports are provided to all students. Tier II supports are designed for students who are struggling within the parameters of Tier I and need additional, small group intervention. Tier III supports are designed as intensive, individual supports for students who need the most intervention. Tier III supports involve many different stakeholders including teachers, support personnel, parents, and sometimes outside support personnel.

School-wide PBIS focuses on the development and implementation of pro-active procedures and practices to prevent problem behavior for all students, to provide interventions to help develop appropriate behavior among all students, and to improve school climate.

Intervention Pyramid

Who is on the school-wide PBIS Team?

The PBIS Tier I team at Milor High School is representative of the entire school staff. Currently, our team reflects the following: Administrator, Various Grade Level Teachers, Counselor, Special Education Teacher, School Safety Officer, and Classified staff. Having a broad representation on the team improves communication among stakeholders and feedback about PBIS systems in the school and helps to ensure that involvement and buy-in throughout the school is developed and maintained.

What are the responsibilities of the Tier I PBIS Team?

- Hold PBIS Team meetings on-site once per month to plan and coordinate school-wide behavior systems.
- Develop action plan goals for implementation of PBIS systems and procedures.
- Participate in an annual evaluation of PBIS Tier 1 implementation
- Provide opportunities for all stakeholders to give input and feedback into Tier 1 systems and procedures.
- Develop activities that will support PBIS Tier I action plan goals.
- Develop professional development sessions that will support these goals.
- Use effective data systems to analyze the effectiveness of Tier I practices.
- Modify, restructure, and refine Tier I practices to reflect real data measures.
- Create comprehensive Tier 1 data for use in identifying students who need Tier 2 and 3 support.
- Attend district-wide meetings and trainings to promote the continuing development and maintenance of PBIS programs at our site.
- Participate in Team Development Days to strengthen, develop, and further train the Team in effective practice and new and relevant material.
- Be culture change leaders on campus.

School-Wide Behavioral Expectations

- Be Responsible
- Be Respectful
- Be Safe
- Be Focused

Why do we have School-Wide Behavioral Expectations?

Having a few simple, positively stated behavioral expectations facilitates the teaching of said expectations across school settings because students will be learning using common language. By focusing on only four expectations, it is easier for students to remember. It is also important for staff because instruction focusing on only a few expectations will improve teaching and consistency across staff through the use of a common language.

Why are these positively stated Expectations relevant?

Positively stated expectations are important because research has shown that recognizing students for following the rules is even more important than catching them breaking the rules. By stating expectations positively, the hope is that staff will be more likely to use positive language when catching students engaging in the appropriate behavior.

Why are there only four Expectations?

Selecting only four behavioral expectations allows these expectations to remain broad enough to encompass all potential problem behaviors. With our chosen expectations, the PBIS team believes that they can be further defined to identify specific behaviors we want our students to demonstrate. Staff can then teach all the necessary specific positive behaviors we want to see across all school settings.

Examples of positively stated, specific, Behavioral Expectations:

- Be respectful of the learning opportunities of others.
- Be responsible by bringing all materials to class.
- Be safe by participating in “see something-say something”
- Be focused by attending school every day and completing work

DISCIPLINE POLICIES

Personal safety is a prerequisite to learning. Intimidation, bullying, fighting and assaults are not acceptable methods of conflict resolution and will be dealt with firmly. Students experiencing difficulties with interpersonal relationships are encouraged to contact their counselors, campus security, or other staff members for assistance in conflict mediation. Those who resort to these behaviors will face suspension and citation. Repeat offenders may be referred to the District for expulsion. Parent conferences in these instances may be required.

Classroom Behavior: In order to provide an effective instructional program, the teacher is the ultimate authority in the classroom. Therefore, disruption of the learning and teaching process cannot be tolerated and will be dealt with appropriately. A classroom suspension will be given if the student's behavior is continual and/or severe. Prior to the classroom suspension, teachers will use other steps of intervention such as counseling, progressive classroom discipline and parent contact, unless the incident violates law or education code. Classroom suspensions are cumulative throughout the year and subject to the requirements of Education Code 48910.

Campus Behavior: Be aware the following are violations of school rules and will be dealt with appropriately:

- Inappropriate display of affection between students (e.g. kissing, fondling)
- Food, drinks, and gum chewing in the buildings and classrooms Gambling
- Bullying/cyber bullying
- Possession of markers, spray paint cans and tips, and other such articles used for graffiti.
- Electronics should not be used during instructional time. Students found using any cellular phones, pagers, lasers, radios, DVD/CD players, electronic games, IPODS, MP3 players, cameras, video cameras or other electronic devices during instructional time may have the item(s) confiscated. Violation of this policy will result in discipline.
- Possession of drugs, weapons, look-alike drugs and weapons, stink bombs, mace, pepper spray, smoke bombs, fireworks/firecrackers or any gaseous spray, or assault (both physical and verbal) on a school staff member will result in a recommendation for expulsion. A police report will also be filed and may result in the arrest of the student.
- Theft of school property or private property including food items from serving lines.
- Posturing and threats to any school staff member or official.
- Failure to come prepared to class with proper materials daily.

RIALTO UNIFIED SCHOOL DISTRICT

DRESS CODE

The mission of the Rialto Unified School District (RUSD), the bridge that connects students to their future aspirations, is to ensure each student achieves personal and career fulfillment within a global society.

RUSD believes that high expectations for students and a safe and engaging learning environment prepares students for academic success and their future. The student dress code should serve to support all students in developing a body-positive self-image. All students are expected to adhere to RUSD Student Dress and Grooming Board Policy 5132, which includes, but is not limited to, the three expectations.

“Big Three”

1. Clothing must cover and conceal undergarments; no private parts, including midriff, should be visible.
 2. Appropriate shoes must be worn at all times.
 3. Clothing, backpacks, and accessories must be free of images and content that are sexually suggestive, depict drugs, alcohol, or tobacco use, firearms, gang-related images, or other illegal activities.
- All RUSD staff will support students by reinforcing Dress and Grooming Board Policy 5132.
 - Students who do not comply with the dress code expectations, may be subject to progressive discipline.
 - Any student in need of appropriate clothing, will be referred to the RUSD Kindness Connection.

Non-Discrimination Policy

The Rialto Unified School District does not discriminate on the basis of the actual or perceived race ethnicity, religion, color, age, national origin, political affiliation, gender, gender identity, gender expression, sexual orientation, mental or physical disability, parental or marital status, or any other basis protected by the federal, state or local law, ordinance, or regulation in its educational programs or employment.

Physical Education Attire

RUSD Board Policy 5132 states that students are expected to wear clothing that is suitable for the school activities in which they participate. Students shall not wear clothing that presents a health or safety hazard or is likely to cause a substantial disruption to the educational program. Accordingly, the district has set standards for the physical education clothing in alignment with its Board Policy that students are expected to wear attire that is suitable for the physical activity and promotes safety.

As such, students are required to change clothing appropriate to the physical activity for hygiene, safety and movement efficiency purposes. The following options will assist to meet the expectations of dressing in "suitable" physical education attire:

- 1) Purchase the school's physical education clothing
- 2) Wear their own clothing (as long as suitable)
- 3) Borrow the school's "loaner" physical education clothing
- 4) Work with school administration to meet expectation

NOTE: Students cannot be penalized **academically** for their inability to purchase the school physical education attire or outside attire that is not suitable or in matching colors, or for wearing loaners. (Education Code 49066(c))

PROCEDURE FOR RANDOM SEARCHES

The Rialto Unified School District Board of Education in an effort to ensure student safety has adopted a Random Safety Inspection Policy (BP 5145.12) at all secondary schools. The program will be coordinated by school site administrators assisted by trained District Safety Officers who will supervise students during this process. Students are selected using a computerized random selection device, and scanned by hand held (wand) metal detectors. *"The use of a metal detector is less intrusive than a physical search and therefore constitutes a minimal invasion of privacy. This tool is generally preferred over a frisk or pat-down when searching an individual for the possession of weapons. (BP 5145.11)*

Random Safety Inspection Procedure

- The school site administrator assisted by Safety Officers shall ensure that the following safeguards are followed when conducting random safety inspections using metal detectors:
- Security team will enter the classroom, make contact with the teacher, then give announcements and basic instructions to students before conducting the random safety inspection procedures.
- Each student will walk past the random selection device. A light will flash "red" for search or "green" for no search.
- Students selected for scanning will be asked to empty their pockets and belongings of any metallic objects, and place items in a container provided. The container with items will be placed on a table in plain view of the student and officer.
- Next, the student (including their backpacks, purses, etc.) will be scanned with a hand held metal detector (wand). If there is no activation of the metal detector when the student is scanned, then he/she will not be searched.
- However, if an initial metal detector or wand activation occurs, students shall be asked to remove other metallic objects that they may be wearing (e.g., belt and jewelry). Student(s) will then be scanned a second time.
- If a second activation occurs, a metal detector or wand shall be used for a third time.
- If the activation is not eliminated or explained by the student, then an officer shall escort the student to an appropriate area where a thorough interview and check of student belongings shall be conducted by a staff member of the same gender as the student in the presence of another District employee. (EC 49050 Article 8. Searches by School employees)
- The inspection shall be limited to the detection of the cause of the activation.

K-9 Safety Inspections

The Rialto Unified School District has entered an agreement with Interquest Detection Canines, Inc., to conduct random, unannounced inspections at all of our secondary schools in the District by trained detection canines.

These canines are trained to detect the presence of illicit drugs, alcohol, and gunpowder-based items. Campus buildings, parking lots, and grounds will be randomly inspected for prohibited items. If detected and found, the District will initiate appropriate disciplinary action.

The canines used in this program are non-aggressive, retrieving breeds such as Golden and Labrador Retrievers. They are trained to single out certain scents of contraband items and indicate the area where the scent is detected. Interquest provides services to over 1, 200 public school districts across the nation.

The Rialto Unified School District is taking every reasonable precaution to provide a safe and healthy learning environment for all students, staff and visitors. The canine detection component of our Random Safety Inspection Program is but one element of our District's Comprehensive Safe Schools Plan.

BULLYING AND CYBERBULLYING POLICY

The Rialto Unified School District is committed to providing a safe working and learning environment; takes bullying or any behavior that infringes on the safety or the well-being of students seriously. Employees or any other persons within the District's jurisdiction; and will not condone retaliation in any form when bullying has been reported.

District policy continues to require all schools and personnel to promote among students and staff mutual respect, tolerance, and acceptance.

The California Department of Education (CDE) has developed and made available to school districts a policy model on the prevention of bullying and on conflict resolution. These policies are developed for the purpose of incorporating them into a district wide school safety plan. The attached documents are a sample policy for Bullying Prevention & Conflict Resolution, and Student Code of Conduct for Rialto Unified School District.

Rialto Unified School District Bullying (Cyberbullying) Prevention *(Policy model)*

The **Rialto Unified School District** believes that all students have a right to a safe and healthy school environment. The district, schools, and community have an obligation to promote mutual respect, tolerance, and acceptance.

The **Rialto Unified School District** will not tolerate behavior that infringes on the safety of any student. A student shall not intimidate or harass another through words, actions, or via social media. Such behavior includes: direct physical contact, such as hitting or shoving; verbal assaults, such as teasing or name-calling; and social isolation or manipulation.

The **Rialto Unified School District** expects students and/or staff to immediately report incidents of bullying to the principal or designee. Staff are expected to immediately intervene when they see a bullying incident occur. Each complaint of bullying should be promptly investigated. This policy applies to students on school grounds, while traveling to and from a school-sponsored activity, during the lunch period, whether on or off campus, and during a school-sponsored activity.

To ensure bullying does not occur on school campuses the **Rialto Unified School District** will provide staff development training in bullying prevention and cultivate acceptance and understanding in all students and staff to build each school's capacity to maintain a safe and healthy learning environment.

Definition of Harassment and Bullying

Harassment or bullying of students or staff is an extremely serious violation of the ***Student Code of Conduct***. It can also be a violation of criminal law. The District will not tolerate unlawful bullying and harassment on school grounds, or when traveling to and from school or a school sponsored activity, and during lunch period, whether on or off campus, or sending insulting or threatening messages by phone, e-mail, websites, or any other electronic or written communication. The physical location or time of access of a computer-related incident cannot be raised as a defense in any disciplinary action initiated pursuant to this policy.

“Harassment” means any threatening, insulting, or dehumanizing gesture, use of data or computer software, or written, verbal or physical conduct directed against a student or employee that:

- Places a student or employee in reasonable fear of harm to his or her person or damage to his or her property
- Has the effect of substantially interfering with a student’s educational performance, opportunities, or benefits
- Has the effect of substantially disrupting the orderly operation of school

“Bullying,” means *systematically* and *chronically* inflicting physical hurt or psychological distress on one or more students or school employees. It is unwanted and repeated written, verbal, or physical behavior, including any threatening, insulting, or dehumanizing gesture, by an adult or student, that is severe or pervasive enough to create an intimidating, hostile, or offensive educational environment; cause discomfort or humiliation; is carried out repeatedly and is often characterized by an imbalance of power; or unreasonable interference with the individual’s school performance or participation; and may involve but is not limited to:

- Unwanted teasing or taunting (verbal or non-verbal)
- Social exclusion
- Threat
- Intimidation
- Stalking
- Physical violence
- Theft
- Sexual, religious, or racial/ethnic harassment
- Public humiliation
- Destruction of property

“Cyberbullying,” sometimes referred to as internet bullying or electronic bullying, is defined as the “willful and repeated harm inflicted through the medium of electronic text.” It may involve:

- Sending mean, vulgar or threatening messages or images;
- Posting sensitive, private information about another person;
- Pretending to be someone else in order to make that person look bad; and
- Intentionally excluding someone from an online group.

Teachers should discuss this policy with their students in age-appropriate ways and should assure them that they need not endure any form of bullying. Students who bully are in violation of this policy and are subject to disciplinary action up to and including expulsion. (*Ed. Code 32261 Legislative findings, declarations, and intent; Ed. Code 48900, 48900.2, 48900.3, 48900.4, 48915(a) and 48915(c)*).

Each school will adopt a Student Code of Conduct to be followed by every student while on school grounds, or when traveling to and from school or a school-sponsored activity, and during lunch period, whether on or off campus.

The Student Code of Conduct includes, but is not limited to:

- Any student who engages in bullying may be subject to disciplinary action up to and including expulsion.
- Students are expected to immediately report incidents to the principal or designee.
- Students can rely on staff to promptly investigate each complaint of bullying in a thorough and confidential manner.
- If the complainant student or the parent of the student feels that appropriate resolution of the investigation or complaint has not been reached, the student or the parent of the student should contact the principal. The school system prohibits retaliatory behavior against any complainant or any participant in the complaint process.
- Students are to resolve their disputes without resorting to violence.
- Students, especially those trained in conflict and peer mediation, are encouraged to help fellow students resolve problems peaceably.
- Students can rely on staff trained in conflict resolution and peer strategies to intervene in any dispute likely to result in violence.
- Students needing help in resolving a disagreement, or students observing conflict may contact an adult or staff mediator through the front office
- Students involved in a dispute will be referred to a conflict resolution or peer mediation session with trained adult or peer mediators. Staff and mediators will keep the discussion confidential.
- Conflict resolution procedures shall not supplant the authority of staff to act to prevent violence, ensure campus safety, maintain order, and discipline students.

The procedures for intervening in bullying include, but are not limited to:

- District-wide training provided for students, staff, parents, and concerned community members about bullying awareness and prevention strategies.
- All staff, students and their parents will receive a summary of this policy prohibiting bullying; at the beginning of the school year, as part of the student handbook and/or information packet, as part of new student orientation, and as part of the school system's notification to parents.
- The school will make reasonable efforts to keep a report of bullying and the results of investigation confidential.
- Staff are expected to immediately intervene when they see a bullying incident occur.
- People witnessing or experiencing bullying are encouraged to report the incident; such reporting will not reflect on the victim or witnesses in any way.

Conflict Resolution (*policy model*)

The **Rialto Unified School District** believes that all students have a right to a safe and healthy school environment. Part of a healthy environment is the freedom to openly disagree. With this freedom comes the responsibility to discuss and resolve disagreements with respect for the rights and opinions of others.

To prevent conflict, each school within the **Rialto Unified School District** will incorporate conflict resolution education and problem solving techniques into the curriculum and campus programs. This is an important step in promoting respect and acceptance, developing new ways of communicating, understanding, and accepting differing values and cultures within the school community and helps ensure a safe and healthy learning environment.

The **Rialto Unified School District** will provide training to provide the knowledge, attitudes, and skill students need to choose alternatives to self-destructive, violent behavior and dissolve interpersonal and intergroup conflict. Each school will adopt a Student Code of Conduct to be followed by every student while on school grounds, when traveling to and from school or a school-sponsored activity, and during lunch period, whether on or off campus.

CALIFORNIA EDUCATION CODE 44807

Every teacher in the public schools shall hold pupils to a strict account for their conduct on the way to and from school, on the playgrounds, or during recess. A teacher, principal, or any other certificated employee of a school district, shall not be subject to criminal prosecution or criminal penalties for the exercise, during the performance of his duties, of the same degree of physical control over a pupil that a parent would be legally privileged to exercise, but which in no event shall exceed the amount of physical control reasonably necessary to maintain order, protect property, or protect the health and safety of pupils, or to maintain proper and appropriate conditions conducive to learning. The provisions of this section are in addition to and do not supersede the provisions of 49000.

EDUCATION CODE 48910 - SUSPENSION BY TEACHER

A teacher may suspend any pupil from the teacher's class, for any of the acts enumerated in Section 48900, for the day of the suspension and the day following. The teacher shall immediately report the suspension to the principal of the school and send the pupil to the principal or the principal's designee for appropriate action. If that action requires the continued presence of the pupil at the school site, the pupil shall be under appropriate supervision, as defined in policies and related regulations adopted by the governing board of the school district. As soon as possible, the teacher shall ask the parent or guardian of the pupil to attend a parent-teacher conference regarding the suspension. Whenever practicable, a school counselor or a school psychologist shall attend the conference. A school administrator shall attend the conference if the teacher or the parent or guardian so suggests. The pupil shall not be returned to the class from which he or she was suspended, during the period of suspension, without the concurrence of the teacher of the class and the principal.

A pupil suspended from a class shall not be placed in another regular class during the period of suspension. However, if the pupil is assigned to more than one class per day this subdivision shall apply only to other regular classes scheduled at the same time as the class from which the pupil was suspended.

A teacher may also refer a pupil, for any of the acts enumerated in Section 48900, to the principal or the principal's designee for consideration of a suspension from the school (Renumbered and Amended Stats. 1993, Ch. 499).

MILOR HIGH SCHOOL/ RIALTO POLICE DEPARTMENT

Exclusion: The District shall exclude a student from school if the child's presence constitutes a clear and present danger to the life, safety, or health of pupils or school personnel. *The District will send prior written notice to the parent if the child is to be excluded. If the pupil constitutes an immediate clear and present danger, the District is not required to send prior notice.*

Safe Schools Statement: The Rialto Unified School District is committed to a safe environment for all students and staff and will not tolerate any weapons, implements or substances used as weapons, unauthorized drugs, violence, gang activity or vandalism on any campus. "Weapons" shall include, but not be limited to: guns, "look-alike" weapons, any size knife, martial arts tools, razor blades, mace, or any weapon specified in Penal Code Sections 626.9, 626.10, 12001, 12020, 12026, 12220, 653K, 12303.2, 12303.3. Any violations of the above may result in suspension and/or a recommendation for expulsion. Any weapon possession is an arrestable offense.

Any student committing any act enumerated in any or all sections and subsections of Education Code 48900 and 48916 while on the school ground, on the way to and from school, at any school activity or otherwise under the authority of school personnel shall be subject to suspension and/or a recommendation for expulsion.

Any student who is found to have initiated an attack, assault, use of force or threat to a school employee will be suspended and/or expelled. The appropriate law enforcement agency will be contacted and a report will be taken. We ask you to join in taking a "zero tolerance" approach toward this behavior.

Clearly, the Rialto Unified School District and the Rialto Police Department take a "zero tolerance" approach toward this type of misconduct. Such behavior is totally unacceptable, will not be tolerated, and will be dealt with decisively.

EMERGENCY PROCEDURES

We want you to know that the Rialto Unified School District has plans and preparations for major emergency situations. We believe that the reactions of people in emergencies depend largely upon their training. Our school staff has been trained, and drills will be held regularly to make certain that the students understand emergency procedures.

Please make certain that your child (ren) understand they are as safe at school as they are at home in a serious emergency. School buildings have been designed with safety in mind, and inspections are regularly made to remove possible hazards. The safety and welfare of the students is our primary concern in the event of an emergency. Your students should be told to follow the directions of staff members, and to obey the orders of public safety officials on the way to or from school. They should be told to continue toward their destination (to or from school) when an emergency situation develops. Your full cooperation is asked in any emergency:

- Please refrain from calling the school. If telephone lines are open, they will be needed for emergency communication with police, fire department, district/city officials, paramedics, etc.
- Streets should be clear for use by emergency vehicles, so if you drive to the school be prepared for possible road closures..
- The school will retain your student until you are able to reach him/her, or until it is determined safe to send him/her home.
- If you are requested to pick up your student, check in at the school and your child will be released to you as quickly as possible. You must always provide identification. Please be sure you have a picture identification card with you.
- Keep an updated EMERGENCY CARD on file at the school. Students under 18 years of age will NOT be released to anyone other than those individuals on the emergency card.
- Keep the school informed of your student's special medical needs.
- We ask that you cooperate with school officials during emergency situations

RUSD ACCEPTABLE USE POLICY INTERNET AND EMAIL PERMISSION FORM

We are pleased to offer students of the Rialto Unified School District access to the district computer network for electronic mail and Internet access. To gain access to e-mail and the Internet, all students under the age of 18 must obtain parent permission and must sign and return a copy of this form. Students 18 and over may sign their own forms. Access to e-mail and the Internet will enable students to explore thousands of curriculum related resources and communicate with people throughout the world. These resources will be invaluable in your student's learning experience.

Families should be warned that some material accessible via the Internet may contain items that are illegal, defamatory, inaccurate, or potentially offensive to some people. While our intent is to make Internet access available to further educational goals and objectives, students may find ways to access other materials as well. We believe that the benefits to students from access to the Internet, in the form of information resources and opportunities for collaboration, exceed any disadvantages. Ultimately, parents and guardians of minors are responsible for setting and conveying the standards that their children should follow when using media and information sources. To that end, the Rialto Unified School District supports and respects each family's right to decide whether or not to apply for access. The network is provided for students to conduct research and communicate with others on academic topics. Students are responsible for their behavior and communications on those networks.

Access to network services is given to students who agree to act in a considerate and responsible manner. Violations of the district policy described will result in access privileges suspended or revoked as well as other disciplinary or legal action. Network storage areas will be treated like school lockers. Network administrators may review files and communications to maintain system integrity and ensure that users are using the system responsibly. Users should not expect that files stored on district servers will always be private.

Within reason, freedom of speech and access to information will be honored. During school, teachers of young students will guide them toward appropriate materials. Older students will be taught how to independently locate information appropriate to their class assignments. Outside of school, families bear the same responsibility for such guidance as they access information sources such as television, telephones, movies, radio and other potentially offensive media.

District Internet and E-Mail Rules: Students are responsible for appropriate behavior on school computer networks just as they are in a classroom or a school hallway. Communications on the network are often public in nature. General school rules for behavior and communications apply. The following are not permitted:

- Sending, displaying, or accessing offensive messages or pictures
- Using obscene language
- Harassing, insulting, or attacking others
- Damaging computers, computer systems, or computer networks
- Violating copyright laws
- Using another's password
- Trespassing in another's folders, work, or files
- Employing the network for commercial purposes

MILOR HIGH SCHOOL TITLE I SCHOOL-LEVEL PARENTAL INVOLVEMENT

Parent Involvement

The Board of Education recognizes that parents/guardians are their children's first and most influential teachers and that sustained parental involvement in the education of children contributes greatly to student achievement and a positive school environment. The Superintendent or designee shall work with staff and parents/guardians to develop meaningful opportunities at all grade levels for parents/guardians to be involved in District and school activities; advisory, decision-making, and advocacy roles; and activities to support learning at home. Please join us in attending all parent meetings and participating in SSC School Site Council and ELAC English Language Advisory Committee meetings.

Parents/Guardians shall be notified of their rights to be informed about and to participate in their children's education and of the opportunities available to them to do so. The Superintendent or designee shall regularly evaluate and report to the Board on the effectiveness of the District's parent involvement efforts, including, but not limited to, input from parents/guardians and school staff on the adequacy of parent involvement opportunities and barriers that may inhibit parent/guardian participation.

Milor High School developed a written Title I parental involvement policy with input from Title I parents. During SSC, ELAC and at back to school nights and during parent student conferences, parents and students gave input about school procedures, programs and opportunities available to students. It has distributed the policy to parents of Title I students. The policy is distributed to all parents through the classroom and returned to the same classroom after the parent and student have reviewed and signed the compact. The policy describes the means for carrying out the following Title I parental involvement requirements [20 USC 6318 Section 1118(a)-(f) inclusive].

To involve parents in the Title I program at Milor High School, the following practices have been established:

- a) The school convenes an annual meeting to inform parents of Title I students about Title I requirements and about the right of parents to be involved in the Title I program. Parents were informed during back to school night, during orientation meetings and through home fliers and parent links.
- b) The school offers a flexible number of meetings for Title I parents, such as meetings in the morning or evening. Parents are constantly informed through parent links about school and district events. Parents are informed and invited to participate in School Site Council and English Language Advisory meetings.*
- d) The school provides parents of Title I students with timely information about Title I programs. Milor High School parents are informed about Title I at our parent orientations, back to school night and during our School Site Council, and English Language Advisory Committee meetings. They are also informed about title one activities and meetings through our parent link and through home mailings.
- e) The school provides parents of Title I students with an explanation of the curriculum used at the school, the assessments used to measure student progress, and the proficiency levels students are expected to meet. Milor Parents are invited to attend orientations, ELAC, SSC, parent summit, parent teacher conferences, and all parent information meetings at Milor and in the district. We practice an open door policy and meet with parents as much as possible to ensure their student continues to achieve.
- f) If requested by parents of Title I students, the school provides opportunities for regular meetings that allow the parents to participate in decisions relating to the education of their children. We actively allow parents to contact the school counselor or administration and set up meetings in order to address their child's needs and promote student achievement.

Firearms Safety Memorandum

Subject: California Law Regarding Safe Storage of Firearms

The purpose of this memorandum is to inform and to remind parents and legal guardians of all students in the **Rialto Unified School District** of their responsibilities for keeping firearms out of the hands of children as required by California law. There have been many news reports of children bringing firearms to school. In many instances, the child obtained the firearm(s) from his or her home. **These incidents can be easily prevented by storing firearms in a safe and secure manner, including keeping them locked up when not in use and storing them separately from ammunition.** To help everyone understand their legal responsibilities, this memorandum spells out California law regarding the storage of firearms. Please take some time to review this memorandum and evaluate your own personal practices to assure that you and your family are in compliance with California law. With very limited exceptions, California makes a person criminally liable for keeping any firearm, loaded or unloaded, within any premises that are under their custody and control where that person knows or reasonably should know that a child is likely to gain access to the firearm without the permission of the child's parent or legal guardian, and the child obtains access to the firearm and thereby (1) causes death or injury to the child or any other person; (2) carries the firearm off the premises or to a public place, including to any preschool or school grades kindergarten through twelfth grade, or to any school-sponsored event, activity, or performance; or (3) unlawfully brandishes the firearm to others.¹

Note: The criminal penalty may be significantly greater if someone dies or suffers great bodily injury as a result of the child gaining access to the firearm. With very limited exceptions, California also makes it a crime for a person to negligently store or leave any firearm, loaded or unloaded, on their premises in a location where the person knows or reasonably should know that a child is likely to gain access to it without the permission of the child's parent or legal guardian, unless reasonable action is taken to secure the firearm against access by the child, even where a minor **never** actually accesses the firearm.²

¹ See California Penal Code sections 25100 through 25125 and 25200 through 25220. ² See California Penal Code section 25100(c).

- In addition to potential fines and terms of imprisonment, as of January 1, 2020, a gun owner found criminally liable under these California laws faces prohibitions from possessing, controlling, owning, receiving, or purchasing a firearm for 10 years.³
- Finally, a parent or guardian may also be civilly liable for damages resulting from the discharge of a firearm by that person's child or ward.⁴

Note: Your county or city may have additional restrictions regarding the safe storage of firearms.

Thank you for helping to keep our children and schools safe. Remember that the easiest and safest way to comply with the law is to keep firearms in a locked container or secured with a locking device that renders the firearm inoperable.

Sincerely,

Cuauhtémoc Avila, Ed.D.
