Seniors Invest \$10,000

The stock market is now underway. It was opened for business March 13 in G2. The senior problems classes, under the supervision of Mr. Eagan, has studied Economics for more than six weeks and now have a pretty good knowledge of what makes big business work. Early in the morning Mr. Eagan meets several students at Dean Whitter & Co. to famalarize them with the stock market. There the students watch the opening prices flash across the board all the way from New York. Ticker tapes are always coming in to aid the eager investor. The students must also familiarize themselves with the businesses by using the Standard and Poors books about the histories of the businesses on the New York Stock Exchange.

In the classroom are charts, which list the names of the students who are in that particular class and the 30 stocks which they may buy, ranging from Revlon to Falstaff. Daily, the students as well as Mr. Eagan, may buy and sell

stocks, according to how the market is. The brokers have to keep records of all these transactions. In return for their hard work they receive a percentage of each person's profit.

The broker for the first hour class is Miss Betty Lee and associates with Earl Mehl

"PEP SCHOOL" TO BEGIN APRIL 10

The leadership class of EHS will soon conduct a pep school. Mrs. Henry, who is advisor of the leadership class, will be in charge. In the school many different cheers and routines will be taught. Included will be training for flag-twirler, pom-pom, drill, majorette and cheerleader.

The school will begin April 10, and will end April 21. Try-out day will be April 24 for cheerleaders. No person may try-out if he did not participate in the cheerleading school.

Starting this fall the lead-

ership system will be a little different. Not only girls but all boys are invited to join the school. If the male turnout is as expected, Mrs. Henry would like three boys to be cheerleaders next year.

EHS Hosts Drill Teams

March, march, march! April 13 is the day of the Drill Team Field Day. The drill teams from eight high schools will meet on the Eisenhower quad to perform for the other schools. The field day will give each school a chance to display their skills, uniforms and drill routines.

The schools participating will

Each senior has invested \$10,000 in the stock market. Mr. Pratick Eagan, 4th period senior problems teacher, is advisor.

Attention Students

20-30 Spook Show Tonite

Hey there all you Eagles! Have you heard? About what's happening tonight at 12:00! Well, if you haven't here's the latest. It's going to be at the Studio Theater in San Bernardino. Yes, it's the big "Spook Show" sponsored by the "Twent-Thirty Club."

The proceeds from this show will go to the Prevention of Rheumatic Fever.

If you haven't bought your ticket yet, run up to a student council member right now. Or go to the office and there just might be one left. They only cost \$1.00 and will be worth every cent.

So don't forget, at 12:00 tonight! Let's see YOU there!

Ted's Trolleys

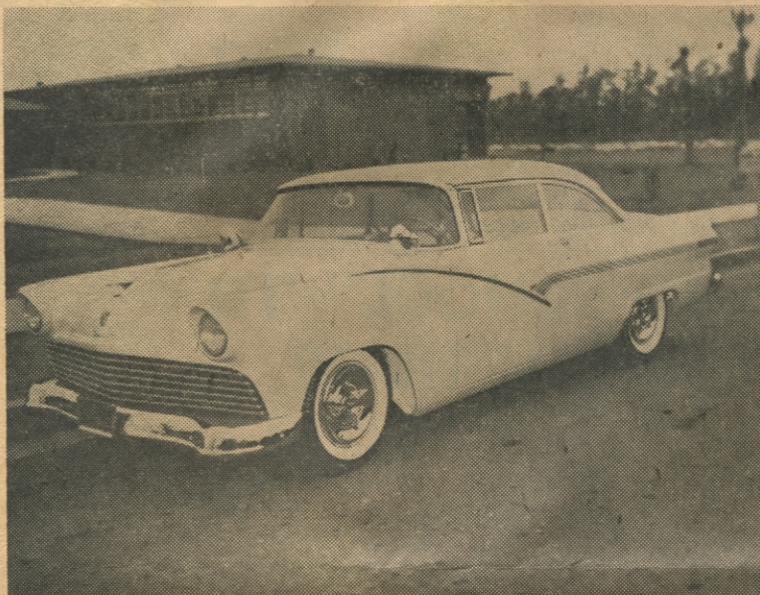

By TED EASTERLING

To prove that one doesn't need to spend a lot of money on radical customizing to have a nice looking car, I have chosen Marion Tutor's 1956 Ford hardtop.

Marion, a senior at Eisenhower, has given his two-tone blue and white Ford a low, racy effect in front by substituting a horizontal tubular grill for the stock Ford unit. By cutting the coils and putting 8x15 tires in back with 6x15 in front, the car was raked about three inches. Other eye catchers include dual spot lights, white wall nylon tires, Dodge Lancer hubcaps, dual scavenger exhaust pipes, and white wheel wells.

Mechanically, the "56" has the big T-Bird V-8 with a four-barrel carburetor. Since Marion is the lazy type guy, he chose the automatic transmission with a high speed rear end.

Once again, not a too expensive but very good looking job was done on the interior with matching seat covers. Hats go off to Mr. Tutor's effective "56" Ford.

Club Chatter

Azorettes are planning the annual Alana-Loha Dance with the Ebells of San Bernardino High. The dance will be held April 15. The Azorettes are also planning a poster party.

Key Club attended the Kiwanis meeting Monday night at the Golden Bull. A free dinner was served. A good time was spent by the club.

Hi-Tri is sponsoring a Sadie Hawkins Dance, April 7. It will be in the cafeteria and a disc jockey will be present. Everyone attending the dance

will be expected to come in dog-patch dress style. More details will be given in the next paper.

The Girls' League is planning a pickle sale sometime in the near future. The pickles will be sold before, during, and after school.

Easter Is Fun If . .

By B. J. MEHESS

The final bell has rung, school is over, and now all students are on their way home to pack their suitcases for the beaches.

When the annual Easter vacation week starts tomorrow morning any where from 5 o'clock in the morning to noon, the San Bernardino freeways will be filled with brim-packed cars of happy teenagers. You can keep these next seven sun-drenched days happy only if you take them with thought and care and no immature ideas.

Most teenagers will come to school a week from Monday with big red, happy suntanned faces. I hope this is the portrait of all our Eagles, although tragedy could strike our school and the picture could be painted entirely different. It could portray a wrecked car with kids in the hospital; it might show a boy or girl in a beach jail because he or she was drunk; or it could be as tragic as a special page needed in the "Aquila" entitled, "In Remembrance."

The only unhappy thought about Easter vacation is that it might not be you that is riding home with the gang. It might be your desk that sits empty and cold that Monday morning. It could easily be your name that is scratched off the roll book in your first period class.

Remember, Eagles, Easter is fun if . . .

HOPEFUL STUDENTS ANSWER QUESTIONS AS THE STUDENT PLACEMENT REPRESENTATIVE GOES OVER NECESSARY INFORMATION FOR EMPLOYMENT.

Happy Easter Vacation to You

On behalf of the staff of the Eagle's Eye, may we wish you a very nice spring vacation. For many students, this will be a tragic time. With accidents as bad as they are, it is inevitable someone from Eisenhower High School will be involved in an accident of some kind. Make sure this does not include you. Make sure any person you go somewhere with is a competent well trained driver. Don't put your life in the hands of a dare-

devil. Safety is of major importance no matter where you go. Make sure if you go to the beach to stay a safe distance from the shore. Many professional swimmers have drowned in beach water conditions. Have a safe and sane Easter and we will look forward to seeing you when school starts again.

Passing Notes

The matinee showing of "Arsenic and Old Lace" turned out to be a big success. The matinee showing was held at school for those students who were unable to attend the Thursday showing in our cafeteria.

Congratulations goes to Don Wilson, Dona Kolb, and Karen Brotherton as winners in the speech contest. They competed against seven other schools.

Pats on the back to our school band for their three superior ratings in the San Bernardino Music Festival. Our EHS band will go on and compete in the state meeting the end of April.

The Oldie But Goodie dance which was held last Friday, was a big success. The dance was sponsored by the Better Business Club.

The senior girls' career day was sponsored by the Business and Professional Woman's Club. On the career day the senior girls visited various community businesses. Thirty-seven girls participated in the day. There were girls from PHS and SBHS also.

The assembly about the future of California, which was held, was presented by Stary Gange. Mr. Gange gave a fine presentation of the future of California.

Jack Lucas Makes CIF

Jack Lucas, who helped put the fighting Eagles into CIF semi-finals, was named on the All-Southern California Interscholastic Federation First team in Basketball for 1961 in AA play.

Out of 65 teams eligible for the Eisenhower received more honors by placing one of their players on top. All he could say when he found out was "I couldn't believe it." He also said that he would like to play against wolthers on defense.

Again Congratulations to our basketball team for the fine basketball season. Here is shown Jerry Koch at the Bell Gardens game.

EHS Stops Victor Valley, 6-3

Duane White struck out the maximum 12 batters in the first four innings, but failed to get the win in Eisenhower High's 6-3 victory yesterday at Victor Valley.

White had a 3-hitter, and left the score 1-1. Reliever Jack Lucas, who tripled and batted 3 for 4, was credited with the win under scoring rules. Terry Coe batted 2 for 4 to further spark the Eagles attack.

Eisenhower Eagles Stand 4-2-1 in Baseball

The E. H. S. Eagles won their second straight game when they played Yucaipa. The score of this game was 5-4 in favor of the Eagles.

At the Yucaipa game, Paul Sudlow started for the Eagles and hit a homer.

Gary Curtis also hit a homer which was his second of the season. Jack Lucas

went 2 for 2.

Ron Boyer came through by striking out two men on base in the seventh inning.

Congratulations team for the real great Yucaipa game, but there is still more good news to come.

Another victory came for the Eagles when our team came up with a 6-3 victory over Montclair.

There was a total of 12 hits by the Eagles. Montclair just could not get onto the pitching of Ron Boyer and Paul Sudlow.

Gary Curtis had a 3 for 3 including a long hit homer.

DOPE SHEET

MIKE HUGHES

Along with our Baseball team, and Tennis teams making news around campus, we also have a noteworthy track team.

On the E. H. S. track team we have several record holders.

One of the record holders on our Track team is Warren Fields.

Warren set the Blythe record for the 1320 and also set the record for the mile here at "Twenty-Thirty Club."

He also set the "C" record for the 1320.

Warren who is on the Varsity track team feels that this year's track team is better than last year's.

He stated that they are a good relay team, and that a lot of records have been broken by the team.

Warren has been participating in track for three years.

The events that Warren participates in are the mile, the 3/4 mile, and the half-mile.

Warren also feels that the team has a good chance to qualify for CIF Varsity relays in May.

Good luck to our Track team, a team that credits the pride of the whole student

TENNIS TEAM IS VICTORIOUS

The tennis team downed Victor Valley's Jackrabbits Tuesday by a score of 20-9. The team is really starting to look good under the coaching of Mr. Siperstein. The winners were: 1st man Ken Shabell, 2nd man Kenny Cox, 3rd man Bob Orr, 4th man Don Wilson, 5th man Theo Mathews, and 6th man George Williams.

The 1st doubles team was Bob Buck and Fred Cowart who lost a tough match. The second doubles Team won (Larry Kingry and Jim Means) body.

Terry Coe hit 2 for 3 including a triple.

Jim Donnelly hit 2 for 4 including a homer over left field fence.
