Azures - Ebelles Co-sponsor Dance

"A very unique dance" is what Donna Kolb, Azurette president had to say about the second annual Alana A'loha, which is to be held tomorrow night, April 15, in the EHS cafeteria from 9 p.m. to midnight.

Azures and Ebelles of SBHS, last year for the first time, co-sponsored the Hawaiian dance. The dance was held at the Valley College Student Life Building.

The dance is unique in that it is a girl-ask-boy, semi-formal dance. Instead of the girl buying a boutonniere for her date, she makes hi ma lei, either of wood fiber or crepe paper. She may buy a flower lei from a florist.

Some of the highlights of

the dance will be the Polynesian decorations planned by both clubs, which include not only an island in which the band, the Four R's, will play, but also a huge garden.

The dance will be couples only and tickets may be bought at the door for \$2.50.

Cake and punch will be served free of charge.

SENIORS TOUR SBVC

During the past few weeks, several groups of seniors have been touring SBVC. These tours are being made in order for seniors to become better acquainted with its facilities.

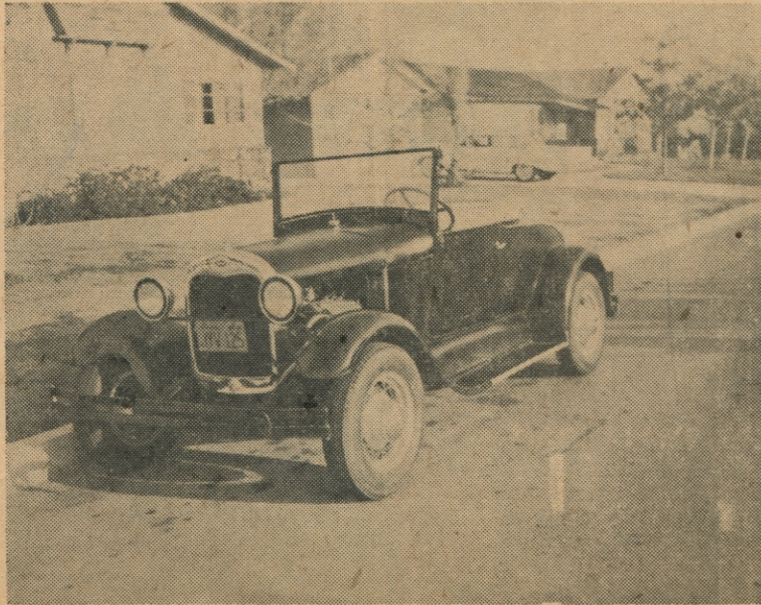

SHOWN FROM left to right are five members of the "Lowland Sea" cast. They are: Paul Ogle, Ben Cranford, Ross Jones, Bob Walde, and Charles Montague.

Ted's Trolleys

By TED EASTERLING

The proud owner of this week's car is Frank Hasy. His auto is a '29 model A roadster. Recently Frank has been running a V8, 1956 Mercury 312 cubes, 225 horses, and a single four-barrel carb. A 1939 Zepher transmission and loud mufflers and pipes complete the power system. Silver wire wheels, white tuck, black carpets and a removable white top finish off the flashy little car. Frank plans to give the car a new black paint job and to re-upholster the rumble seat as soon as possible.

"MERC'S GO" is the word for Frank Hasy's '29 Model A roadster.

EAGLES EYE JOURNALISTS SPEND "DAY IN THE NAVY"

Two students and one teacher from here went aboard the Yorktown and spent a day in the navy. Roy R. Kallas, Allen L. Richardson and Mr. Richard Bristow. Bristow arrived at Long Beach on March 27. They arrived at 12 noon and registered at the Long Beach Naval Station. They then took a bus to the aircraft carrier U.S.S. Yorktown. Here is an account of their adventures as told by them:

MY EXPERIENCES

By Allen L. Richardson

The event started on March 27, with dinner at Long Beach Naval Station. That night we bunked on the Yorktown with the enlisted men.

The next morning I got up at 6 o'clock and ate another navy meal, which was fit for a king. Afterwards I witnessed

an exercise in the destruction of mines and gunfire. The mines amazed me particularly, because they were set off what seemed about a mile away and made the ship shake like a leaf. The ship is nearly three times the size of our football field.

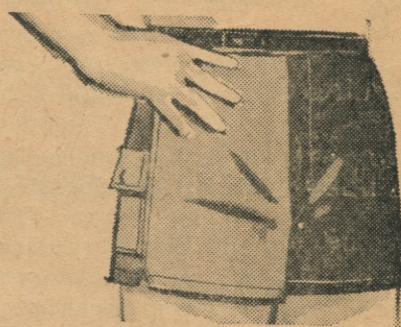

After that exercise an exhibition of jet aircraft was performed. Then a small anti-submarine warfare exhibition demonstrated the effectiveness of teamwork which was the highlight of that afternoon.

MY EXPERIENCES

By Roy Kallas

After registering and going to the ship, we were given our blanket and bunk bed. After going to ship were were taken on bus to a small boat where we were taken out and shown the island. We then went

ashore to have dinner. When we got back we were shown a movie about the "Fighting Lady" (the nickname of the Yorktown). We went to bed

Beaumont match was hard because our team was out of practice at the time.

A good way to get good tennis practice, Kenny says, is to join the Perris Hill Tennis Club.

He feels that by joining this club you can get good experience by playing other players from other schools, and by playing adults.

Kenny will be going out for tennis next year and he hopes to see a lot more students out for the tennis team next year.

EHS has made quite a record for itself in its short history.

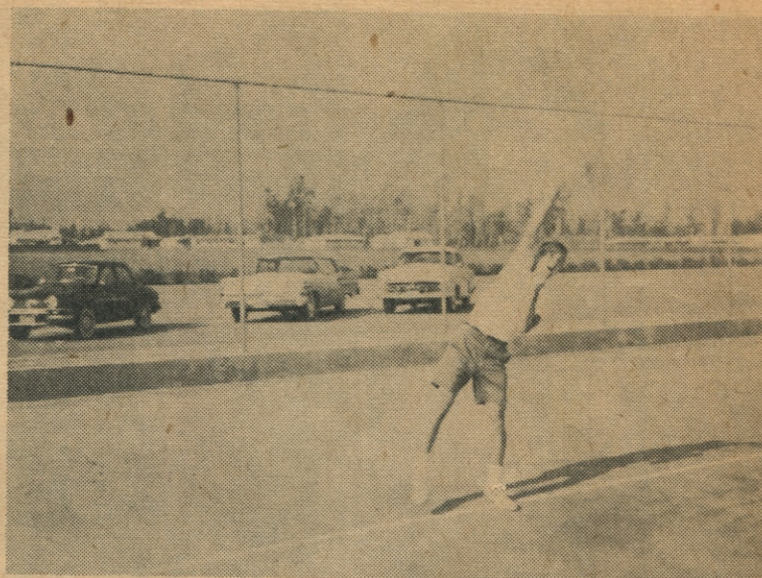

Along with our baseball team, and our track team, we also have a very good tennis team.

Kenny Shabell, who plays on our tennis team has been playing tennis for five years.

In Kenny's opinion this year's tennis team is better than last year's. He feels that they have really improved.

Kenny feels that some of the hardest matches the team has played so far have been Chino, because they were an all around good team.

Kenny also said that the

Eisenhower Nips Yucaipa

Eisenhower Eagles won its first C.I.F. qualification game by defeating Yucaipa 2-1 in a thrilling pitching dual by lefty Duane White of Eisenhower and Mel Cassidy of Yucaipa. Yucaipa took a quick lead in the 1st inning by 1-0, but the Eagles came back in their half inning when Jack Lucas

slapped a single to bring Duane White to tie Yucaipa. It was a tight pitching dual all the way except the Eagles broke the tie when Duane brought in Terry Coe with a single to left. The score was 2-1 and it was enough to go in and win the game. Jack Lucas came in at the bottom of the sixth to put the topping on by striking 3 in a row in the top of the seventh with two men on and no outs. The man on second was put off and Jack made the next two men hit into outs. The Eagles play Rubidoux this Friday.

only to get up at 6 the next morning and have breakfast.

After breakfast we went to a meeting and were split up in groups where we saw the events mentioned by Allen. Most journalists I met found the adventure very interesting.

The flightdeck was very cold that day, but everyone took this with enthusiasm to wait and watch the exhibitions.
