

SEPTEMBER

Parent Newsletter

Casey Elementary

219 N. Eucalyptus Ave., Rialto, CA 92376 (909) 820-7904

 @Casey_Cougars

 casey_cougars

This month our PBIS character trait is Responsibility. Please talk to your kids about the importance of doing the right thing whether someone tells you to or not.

Communication

Please make sure you take advantage of all the forms of communication we use to provide you with information. Make sure you:

- sign up for Remind (for your child classroom's & the school account)
- follow our Instagram & Twitter accounts (above)
- check the school website regularly

Water Bottles

Thank you to those of you who have provided a water bottle for your child and to those that have been very generous by donating cases of water. If you have not had the opportunity to do so, please make sure your child/children have a refillable water bottle that has their name on it. At this time, the water fountains are off limits, but we do have bottle filling stations where the students can refill their bottles.

Snacks

We are asking for your help in preventing student from sharing food. We have many students who are bringing chips and other snack foods that they are sharing with friends. This is problematic because we are trying to encourage healthy snacks and also because we can't have students sharing food for health and hygiene reasons.

September Minimum Days

September 13th

September 22nd, 23rd & 24th

Parking Lot

Morning drop off has gone relatively smoothly since we opened the parking lot at the beginning of the year. However, please remember:

- there is only one drop off lane
- you cannot make a left into the parking lot
- please do not get out of your car -only the students should exit the vehicle

Afternoon Pick Up

- The parking lot is closed to cars in the afternoon.

The ONLY exceptions are : school buses and cars with handicapped placards.

We must all do our part to maintain order and safety in our parking lot. We ask for your support in order to ensure that our students are safe and that procedures are fair and followed by all.

Breakfast in the Classroom

We will soon be transitioning to the students having breakfast in the classroom. We will send you a Remind when the date is finalized. When we begin, you will not need to drop off your child/children as early since they will all eat when they get inside at 8:00 AM. Due to limited supervision, we ask that you please not drop off before 7:30 AM once we begin.

Covid Protocols

As we try to keep our school community safe and healthy, we ask that you please do not send your child to school even a little sick. Please click on this link to familiarize yourself with the district COVID protocols in the event that your child is sick with COVID like symptoms: [RUSD COVID Protocols](#)
