

# RIALTO UNIFIED SCHOOL DISTRICT CERTIFICATED MANAGEMENT

## ACADEMIC AGENT: SPECIAL PROGRAMS

### DEFINITION:

Under the leadership of the Lead Innovative Agent, provide direction and coordination in the development and implementation of special programs. The Agent is responsible for managing State and Federally Programs, LCAP, Community Schools and other district compliance items. The position requires cross-functional engagement with key staff across the organization, and with external stakeholders.

### ESSENTIAL DUTIES:

- Develops and implements State and Federally funded programs in accordance with local, state, and federal regulations.
- Reviews and offers recommendations pertaining to the requisition and purchase of special program materials and equipment.
- Formulates and implements effective categorical in-service programs for administrators, teachers, paraprofessionals and parents.
- Acts as an administrative liaison between the District and private schools receiving categorical funds to provide on-going consultation, identify appropriate resources, and implement and monitor services and use of funds.
- Provides support and technical assistance resources in the evaluation and assessment of the reform efforts.
- Assists in the identification of appropriate resources for implementing research-based programs.
- Gathers required data, prepares accurate reports and monitors program compliance with all applicable regulations for Federally funded programs.
- Serves as a resource for the organization, development, and preparation of the Single Plan for Student Achievement (SPSA).
- Serves as a resource to District Personnel pertaining to the organization, development, and preparation of special funded sources.
- Demonstrates knowledge and the ability to facilitate the development of the Local Control Accountability Plan (LCAP).
- Oversees the Williams Compliance process.
- Facilitates and implements the California Community School Partnership Program (CCSPP) Planning Grant.
- Development, implement, and maintain a community schools leadership plan.
- Utilize the community schools' framework to support school sites. Provide guidance and assistance to school sites and other entities on the process and development of a community school district.
- Attend and conduct a variety of meetings as assigned, including State Technical Assistance sessions, community stakeholder meetings and communities of practice sessions, conferences, and network meetings as required.
- Create, strengthen, and maintain the bridge between schools and the community by creating opportunities for shared leadership and trust. This can be done through educational partner group advisory meetings.
- Coordinates and attends parent information meetings, District Advisory meetings and other related meetings.
- Monitors Title I Parent Involvement.
- Oversees the teacher resource center and textbooks.
- Performs other related duties as assigned.
