Welcome Volunteers

The volunteer program in Rialto Unified School District is designed to encourage parent volunteers to make a difference in the lives of others. Education is a team effort, and volunteers are a very inviting and purposeful part of the school team. Involvement on our campus shows our students and staff that you care, that you value them as young adults, and that you want to help them succeed and be the best they can be.

Who can volunteer?

A person who is at least 18 years old. A volunteer may be a parent/guardian, District employee (outside the scope of employment), or community member who submits an annual application. All volunteers must be approved by the District to participate in the program, prior to providing any service (A volunteer renders service to the District and its programs without receiving remuneration monetary compensation etc. of any kind).

It is our vision that this RUSD Volunteer Handbook will serve as a reference for our volunteers. These guidelines have been established to provide a highly effective volunteer program that ensures a safe environment for you, the students, and our staff members.

Definition of a Volunteer

A school volunteer is a person who is willing to take time to share their wisdom and experience with those on the threshold of the future: our students. A school volunteer helps to expand and enrich our students' learning experiences by working under the direction of school leaders.

Getting Started

There are two types of volunteers: Level 1 and Level 2. The level is determined by the type of contact a volunteer will have with students.

1

LEVEL 1 VOLUNTEER

A Level 1 Volunteer may have direct student contact with supervision of students. These volunteers have contact with students at school events, field trips and excursions, usually as chaperones. Any overnight field trip does require that a volunteer be at least 21 years of age.

2

LEVEL 2 VOLUNTEER

A Level 2 Volunteer may have contact with students, but under "The direct" supervision of a District employee (classified or certificated) on campus at the discretion of a site administrator.

To become a volunteer, the following must be completed:

- Volunteer Application Form with a proof of identification, such as a California Driver's License, California ID, etc. or see volunteer application for acceptable forms of identification (Appendix A). Official Volunteer Application Form are available at each school.
- A negative TB (tuberculosis) test clearance taken within the last 60 days of initial service and every four years thereafter (AR 1240), from a family physician, the District Health Services Department or other health clinics (Appendix B)
- A background check and fingerprinting through the District's Personnel Department. Livescan and background check clearance are a necessary requirement to ensure the welfare and safety of our students (Level 1 Volunteers, only). Fingerprinting is available by appointments only, at the Rialto Unified School District's Personnel Department, located at the Dr. John R. Kazalunas Education Center, 182 East Walnut Avenue, Rialto CA 92376. For more information, please call the Personnel Department at (909) 820-7700, ext. 2400.
- **Individuals who are registered sex offenders are prohibited from participating as volunteers, per Education Code 35021.**

Expectations

The District Strategic Plan requires high expectation of everyone. Volunteers are expected to exhibit proper decorum, good manners, and respect and kindness towards children and adults, alike. Volunteers are not a “peer or buddy” to students, as children are best served when grown-ups demonstrate maturity and responsible behaviors. Volunteers serve at the discretion of the administrator, teacher or other supervisor(s) and should not substitute their own personal judgment for that of the supervisor. By volunteering with the Rialto Unified School District, you have a responsibility to the District, and to your fellow volunteers, to adhere to professional and polite expectations.

Please check the following expectations for your understanding:

- Always report any suspected child abuse to the Principal/Designee immediately
- Supervise students at all times
- Develop a partnership with an assigned teacher or staff member
- Dress according to RUSD acceptable dress code
- Wear your assigned identification badge at all times, when volunteering
- Follow the school's protocols
- Review the school's emergency disaster, fire and evacuation procedures
- Become familiar with the Parent Information Brochure, and Volunteer Handbook
- Abide by all applicable school rules and District policies and regulations
- Maintain a drug-free workplace. Employees and volunteers are prohibited from being intoxicated or under the influence of controlled substances while volunteering
- Use only adult bathroom facilities
- Agree to “not” exchange telephone numbers, home addresses, or email addresses, (including social network information) with any students - for any purpose
- Refrain from disclosing or publishing students photographs or personal information about students, self, or others
- Refrain from soliciting or selling products, services, etc., on District property without the prior written approval of the Superintendent or his/her designee
- Refrain from placing your hands on students
