

## RIALTO UNIFIED SCHOOL DISTRICT HEALTH SERVICES

Under the California School Immunization Law (California Health and Safety Code, Sections 120325-120375), **students in grades TK / K through 12 are required to receive specific immunizations in order to attend public schools.** Please contact your child's school for immunization requirements.

Health and Safety Code 124085 requires **students entering Kindergarten or first grade in a public or private school in California have a comprehensive health examination.** Each child shall present evidence that a physical screening examination has been done sometime during the 18 months before entering first grade.

The following school based clinics provide zero to low-cost immunizations and first grade physicals:

**Central City Community  
Health Center  
(714) 520-0855**

**SAC Health System  
(909) 820-8160 or  
(909) 382-7100**

*Rialto Unified School District does not endorse any specific health care provider.*
