Dear RMS Families,

Welcome to Rialto Middle School and to the 2025-2026 school year. We are glad to have you with us and to begin another year of learning. The school year begins on August 11, 2025. Orientation for 8th grade will be on July 30, 2025, and for 7th grade on July 31, 2025.

The time of your student's orientation will depend on their last name. It is crucial that they arrive at the designated time. **Students and parents are required to come to school on the day and specified time.**

- **After the orientation, you and your student will be able to get consumable books, buy PE Clothes, take your student's school/ID photo, and, if you wish, you will have the choice of checking out a Chromebook. This school year, students will not be given a Chromebook to take home unless it is requested. Each classroom will have computer classroom sets.**

You must complete the registration process online using ParentVUE and fill out the 2025-2026 RMS Acknowledgement Form by visiting the registration page on our website. Families who have not completed the registration process online and/or the Acknowledgement Form will be asked to complete it during your visit. Below you will find the designated registration times based on last name, along with a checklist of items that are needed for registration. Please call our office if you have any questions.

Items Needed for Registration

Please complete the items online before your arrival. If you are unable to do so, we will assist you with this process.

- **Online enrollment verification** through ParentVue

Visit our website to review all the registration documents:

- Review all the important documents and take a look at our bell schedule and important dates
- Fill out the **2025-2026 RMS Acknowledgment Form**
