

Introduction:

LEA: Rialto Unified School District Contact (Name, Title, Email, Phone Number): Jasmin Valenzuela, Associate Superintendent, Elementary Instruction, jvalenzu2@rialto.k12.ca.us (909)-820-7700 ext. 2140 LCAP Year: 2015-2018

Local Control and Accountability Plan and Annual Update Template

The Local Control and Accountability Plan (LCAP) and Annual Update Template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school Districts, pursuant to Education Code section 52060, the LCAP must describe, for the school District and each school within the District, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.

For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School Districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school District but attending county-operated schools and programs, including special education programs.

Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.

The LCAP is intended to be a comprehensive planning tool. Accordingly, in developing goals, specific actions, and expenditures, LEAs should carefully consider how to reflect the services and related expenses for their basic instructional program in relationship to the state priorities. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.

For each section of the template, LEAs shall comply with instructions and should use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. However, the narrative response and goals and

actions should demonstrate each guiding question was considered during the development of the plan. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.

State Priorities

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school Districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.

A. Conditions of Learning:

Basic: degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)

Implementation of State Standards: implementation of academic content and performance standards and English language development standards adopted by the state board for all pupils, including English learners. (Priority 2)

Course access: pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)

Expelled pupils (for county offices of education only): coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)

Foster youth (for county offices of education only): coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)

B. Pupil Outcomes:

Pupil achievement: performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with 3 or higher, share of pupils determined prepared for college by the Early Assessment Program. (Priority 4)

Other pupil outcomes: pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)

C. Engagement:

Parental involvement: efforts to seek parent input in decision making at the District and each schoolsite, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)

Pupil engagement: school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)

School climate: pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)

Section 1: Stakeholder Engagement

Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52060(g), 52062 and 52063 specify the minimum requirements for school Districts; Education Code sections 52066(g), 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.

Instructions: Describe the process used to consult with parents, pupils, school personnel, local bargaining units as applicable, and the community and how this consultation contributed to development of the LCAP or annual update. Note that the LEA's goals, actions, services and expenditures related to the state priority of parental involvement are to be described separately in Section 2. In the annual update boxes, describe the stakeholder involvement process for the review, and describe its impact on, the development of the annual update to LCAP goals, actions, services, and expenditures.

Guiding Questions:

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in Education Code section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?

- 2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representatives of parents and guardians of pupils identified in Education Code section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Involvement Process	Impact on LCAP
<p>The Rialto Unified School District began the FY2015-16 LCAP process in January 2015, with initial planning efforts to engage at a unified level. The Superintendent's Advisory Committee advised and guided the efforts of the District's process. The Superintendent's Advisory Committee comprised of District and site principals and assistant principals, teachers, classified staff, association representation, one Board member, students and student surveys, as well as representatives from our District English Language Advisory Committee (DLAC) and the District Advisory Committee (DAC), Parent Teacher Associate (PTA) and Parent Teacher Organization (PTO), and Superintendent's Parent Advisory Committee (SPAC). Representation from Foster youth and Low Income parents were also invited and participated in the LCAP Process in DELAC, ELAC and Stakeholder's Committee.</p> <p>The Superintendent's Advisory Committee met four times to assist in advising the District Educational Services writing team on suggested goals and objectives for the LCAP. These meetings were supplemented with written input from community north and south meetings, principal meetings, DELAC presentations, DAC presentations, and presentations by our principals to PTA/PTO's. Additionally the District utilized our Parent Link and District website to engage with our community</p>	<p>After compiling stakeholder input, the District identified common recurring themes which are identified below. These themes are reflected in the goals, actions and services and financial investments of the District. Common themes include:</p> <ul style="list-style-type: none"> ● Implement Common Core State Standards ● Reduce achievement gaps in student subgroups ● Personnel to support schools for intervention (Rtl) ● Training for Professional Learning Communities ● Funding and training for Positive Behavior Intervention Systems (PBIS) ● Funding and expansion for AVID Funding for staffing in the Visual and Performing Arts at the elementary schools ● Technology support and integration with curriculum <p>Budget priorities identified were:</p>

<p>members and stakeholders throughout the process.</p> <p>Members of the District Educational Services Writing Team attended two County sponsored trainings where various pieces of the new state template was shared with LEA's about LCAP implementation: Using Formative Metrics to Measure Progress and Success and guiding principles.</p> <p>The Superintendent's Advisory Committee representatives including parents/guardians from English Learners, Foster Youth, and Low Income students remain committed to ongoing meetings to continually assess the goals and actions of the District's LCAP plan in order to improve pupil outcomes related to the state basis, as we anticipate the annual LCAP update based on District data and pupil performance.</p> <p>A Board LCAP Workshop was held on May 20, 2015. In attendance was the five Board members, the Interim Superintendent, Educational Services Directors, the Elementary and Secondary Associate Superintendents of Instruction, and the Executive Directors of Elementary and Secondary Instruction.</p>	<ul style="list-style-type: none"> ● Funding for Visual and Performing Arts at the elementary level ● Funding for support staff, especially counselors and site instructional strategist in ELA and Math ● Funding to improve school climate through Positive Behavior Intervention Systems (PBIS) ● Funding for training in Professional Learning Communities ● Support for English Learner Programs ● Funding for Career Technical Education (CTE) Pathways ● Funding for building the District's K-12 Rtl ● Funding to improve and expand AVID ● Funding for support and integration of technology <p>The program priorities identified above are reflected in the District's goals, actions/services and the budget priorities are tied to the achievement data, needs of our students, and anticipated positive outcomes.</p> <p>There has been consistent stakeholder engagement and collaboration between the Educational Services and Business Services. Both departments have shared responsibility and worked closely to link program needs to budget priorities. The LCAP process continues to foster a stronger District Leadership Team for RUSD.</p> <p>Following each of the Superintendent's Advisory Committee meetings, stakeholder input was collected by the writing team to revise goals and actions, as necessary. Revisions were then presented back to the Superintendent's Advisory Committee.</p>
---	--

	<p>The report at the LCAP Board Workshop was well received and the Board asked good clarifying questions. The Board's questions regarding Parent Involvement and LCAP goals helped with the direction and vision of the District.</p>
<p>Annual Update: The 2014-15 LCAP annual update and the plan for the next three years (2015-18) was developed based on input from the directors of Educational Services who were responsible for the specific actions and services related to each goal. Meetings with various staff members were focused on the collection of evidence for the completion of the LCAP actions and services provided throughout the '14-15 school year. Each director was responsible to provide budgetary and documentation of the implementation and completion of actions and services. The information related to the budget was verified by the fiscal department.</p> <p>The results of the update were shared with the various stakeholder's and discussions were held regarding changes that were made in the annual update. Stakeholders were provided with rational for changes in actions and services, and differences in budgeted expenditures.</p> <p>The Rialto Unified School District used the following quantitative data for the goal setting process: CAHSEE data, graduation rate, dropout rate, A-G completion rate, EL data and reclassification percentages, EAP data, AMAOs, AP enrollment and pass rate, SAT scores, ACT scores, CSU system data and CDE Postsecondary Attendance and Persistence Data .</p> <p>All stakeholders were presented this data to support them through the process, as well as highlight and promote necessary goals and objectives that will further the vision, mission and core values of the District.</p>	<p>Annual Update: Through the annual update and discussions with the various stakeholders it was determined that our actions and services contained base operating expenses that were not needed the LCAP. It was also determined that many of actions and services were too broad and not linked directly to metrics. Therefore, it was determined to refine the actions and services and link them to more specific metrics that weren't just the annual state measures.</p> <p>The use of specific District annual measures will allow us to monitor more accurately if the actions and services were completed and how they relate to student achievement.</p> <p>As a result the new goals developed came from the following: New goal 1 came from old goal 2 and addressed achievement. New goal 2 addressed instruction and came from the first half of goal 1. New goal 3 addressed intervention and was implied in goal 2 under "to succeed" in order to succeed one has to intervene if initial instruction did not work for the student. New goal 4 on professional learning came from goal 1 and was more implied in standards based instruction. In order to provide standards based instruction educators have to receive good professional development. New goal 5 on School Environment came directly from the</p>

	<p>last part of goal 1, “a positive and safe school environment” was addressed.</p> <p>New goal 6 on technology came from goal 1 and 2 and is implied under instructional program. In order to extend and increase instruction there is an increased need for technology access.</p> <p>The part that came of goal 2 on technology is implied in the sentence “demonstrating readiness for higher education, career, and life in the 21st Century.”</p> <p>The use of technology is a career skill that is greatly needed.</p>
--	---

Section 2: Goals, Actions, Expenditures, and Progress Indicators

Instructions:

All LEAs must complete the LCAP and Annual Update Template each year. The LCAP is a three-year plan for the upcoming school year and the two years that follow. In this way, the program and goals contained in the LCAP align with the term of a school District and county office of education budget and multiyear budget projections. The Annual Update section of the template reviews progress made for each stated goal in the school year that is coming to a close, assesses the effectiveness of actions and services provided, and describes the changes made in the LCAP for the next three years that are based on this review and assessment.

Charter schools may adjust the table below to align with the term of the charter school’s budget that is submitted to the school’s authorizer pursuant to Education Code section 47604.33.

For school Districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, to be achieved for each state priority as defined in 5 CCR 15495(i) and any local priorities; a description of the specific actions an LEA will take to meet the identified goals; a description of the expenditures required to implement the specific actions; and an annual update to include a review of progress towards the goals and describe any changes to the goals.

To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, schoolsite-level advisory groups, as applicable (e.g., schoolsite councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and District-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

Using the following instructions and guiding questions, complete a goal table (see below) for each of the LEA’s goals. Duplicate and expand the fields as necessary.

Goal: Describe the goal:

When completing the goal tables, include goals for all pupils and specific goals for schoolsites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the schoolsite level. The LEA may identify which schoolsites and subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or schoolsite.

Related State and/or Local Priorities: Identify the state and/or local priorities addressed by the goal by placing a check mark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as defined in 5 CCR 15495(i), and any additional local priorities; however, one goal may address multiple priorities.

Identified Need: Describe the need(s) identified by the LEA that this goal addresses, including a description of the supporting data used to identify the need(s).

Schools: Identify the schoolsites to which the goal applies. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5).

Applicable Pupil Subgroups: Identify the pupil subgroups as defined in Education Code section 52052 to which the goal applies, or indicate “all” for all pupils.

Expected Annual Measurable Outcomes: For each LCAP year, identify and describe specific expected measurable outcomes for all pupils using, at minimum, the applicable required metrics for the related state priorities. Where applicable, include descriptions of specific expected measurable outcomes for school sites and specific subgroups, including pupils with disabilities, both at the LEA level and at the schoolsite level.

The metrics used to describe the expected measurable outcomes may be quantitative or qualitative, although the goal tables must address all required metrics for every state priority in each LCAP year. The required metrics are the specified measures and objectives for each state priority as set forth in Education Code sections 52060(d) and 52066(d). For the pupil engagement priority metrics, LEAs must calculate the rates specified in Education Code sections 52060(d)(5)(B), (C), (D) and (E) as described in the Local Control Accountability Plan and Annual Update Template Appendix, sections (a) through (d).

Actions/Services: For each LCAP year, identify all annual actions to be performed and services provided to meet the described goal. Actions may describe a group of services that are implemented to achieve the identified goal.

Scope of Service: Describe the scope of each action/service by identifying the school sites covered. LEAs may indicate “all” for all schools, specify an individual school or a subset of schools, or specify grade spans (e.g., all high schools or grades K-5). If supplemental and concentration funds are used to support the action/service, the LEA must identify if the scope of service is Districtwide, school wide, countywide, or charter wide.

Pupils to be served within identified scope of service: For each action/service, identify the pupils to be served within the identified scope of service. If the action to be performed or the service to be provided is for all pupils, place a check mark next to “ALL.”

For each action and/or service to be provided above what is being provided for all pupils, place a check mark next to the applicable unduplicated pupil subgroup(s) and/or other pupil subgroup(s) that will benefit from the additional action, and/or will receive the additional service. Identify, as applicable, additional actions and services for unduplicated pupil subgroup(s) as defined in Education Code section 42238.01, pupils Re-designated fluent English proficient, and/or pupils subgroup(s) as defined in Education Code section 52052.

Budgeted Expenditures: For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA’s budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

Guiding Questions:

- 1) What are the LEA's goal(s) to address state priorities related to "Conditions of Learning"?
- 2) What are the LEA's goal(s) to address state priorities related to "Pupil Outcomes"?
- 3) What are the LEA's goal(s) to address state priorities related to parent and pupil "Engagement" (e.g., parent involvement, pupil engagement, and school climate)?
- 4) What are the LEA's goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual schoolsites been evaluated to inform the development of meaningful District and/or individual schoolsite goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in Education Code sections 42238.01 and subgroups as defined in section 52052 that are different from the LEA's goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?
- 9) What information was considered/reviewed for individual schoolsites?
- 10) What information was considered/reviewed for subgroups identified in Education Code section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific schoolsites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?

GOAL 1:	Achievement: All Rialto USD students will succeed at every grade level and graduate high school demonstrating readiness for higher education, career, and life in the 21st Century.	Related State and/or Local Priorities: 1__ 2__ 3__ 4 <u>X</u> 5 <u>X</u> 6__ 7 <u>X</u> 8 <u>X</u> COE only: 9__ 10__ Local : Specify _____
Identified Need :	Based on the expected annual measurable outcomes, the District continues to perform below the state and county average in most areas as measured through specific state metrics and is still in program improvement. Our District recognizes that specific actions and services need to be implemented to close the identified gaps: graduation rate, low A-G completion rate, increase the percentage of students with an AP score of 3 or better, increase CAHSEE passing rate in ELA and Math, increase the percentage of students scoring 4 or higher on the CELDT, increase the percentage of students meeting AMAO 1 and 2.	
Goal Applies to:	Schools: All Schools Applicable Pupil Subgroups: All, including English Learners	
LCAP Year 1: 2015-16		
Expected Annual Measurable Outcomes:	<ol style="list-style-type: none"> 1. The District will increase the Graduation Rate by increasing student access and enrollment in all required areas of study. The graduation rate will increase to 83% based upon the 2015-16 data: The 2013-14 Graduation Rate was 80.8% State Metric: High School Graduation Rate Local Metric: Comparison of course enrollment by school in English, Math and Science courses. 2. The District will increase the A-G Completion Rate to 25% based upon the 2015-16 data: The 2013-14 A-G Completion Rate was 20.7% State Metric: Share of students that are college and career ready. Local Metric: Percent Completing UC/CSU Required Courses 3. The District will increase the percentage of students with an AP score of 3 or better to 40% based on the 2015-16 data: The 2013-14 Percentage of total tests with an AP score of 3 or better was 34% State Metric: Share of students that pass Advanced Placement exams with a 3 or higher 4. The District will increase the EAP Ready for College Rate to 15% for ELA and 5% for Math. The 2014 EAP data was 12% for ELA and 3% for Math State Metric: 2015 EAP test results 5. The District will increase the ELA CAHSEE Passing Rate to 83% based on the 2015-16 data: The 2013-14 CAHSEE Passing Rate was 79% for ELA State Metric: Performance on standardized tests Local Metric: CAHSEE ELA Passing Rate 6. The District will increase the Math CAHSEE Passing Rate to 87% based on the 2015-16 data: The 2013-14 CAHSEE Passing Rate was 83% for Math State Metric: Performance on standardized tests Local Metric: CAHSEE Mathematics Passing Rate 7. The District will increase the percentage of students scoring 4 or higher on the CELDT to 38% based on 2015-16 data: The 2013-14 percentage of students scoring 4 or higher on the CELDT was 34% 	

<p>Local Metric: Percent of English Learners attaining English Proficient Level as measure by the CELDT</p> <p>8. The District will increase the percentage of students meeting AMAO 1 to 58% based on the 2015-16 data: The 2013-14 percentage of students meeting AMAO 1 was 54%</p> <p>Local Metric: Percent making progress towards English Proficiency (AMAO) 1)</p> <p>9. The District will increase the percentage of students meeting AMAO 2a to 24% based on the 2015-16 data: The 2013-14 percentage of students meeting AMAO 2 less than 5 years was 22.9%</p> <p>Local Metric: Percent in Cohort Attaining English Proficient Level (AMAO 2 <5 years)</p> <p>10. The District will increase the percentage of students meeting AMAO 2b to 50% based on the 2015-16 data: The 2013-14 percentage of students meeting AMAO 2 more than 5 years was 44.9%</p> <p>Local Metric: Percent in Cohort Attaining English Proficient Level (AMAO 2 >=5 years)</p> <p>11. The District will increase the percentage of students meeting Reclassification criteria to 15% based on the 2015-16 data: The 2013-14 reclassification rate was 12.3%</p> <p>State Metric: English Learner Reclassification Rate</p> <p>12. The District will increase the percentage of students scoring 1500 or higher on the SAT to 25% based on the 2015-16 data: The 2013-14 percentage of students scoring 1500 or greater on the SAT was 22.07%</p> <p>Local Metric: Percentage of students scoring > or equal to 1500 on the SAT</p> <p>13. The District will increase the percentage of students meeting 4 or more criteria on the Physical Fitness Test to 75% based on the 2015-16 data: The 2013-14 average percentage of students meeting 4 or more criteria on the PFT was 69.8%</p> <p>Local Metric: Physical Fitness Test for Grade 5, 7 and 9</p> <p>14. The District will increase the percentage of 10th grade students scoring on track for college on the PSAT to 15% based on the 2015-16 data: The 2014-15 percentage of students that are 'On Track for College and Career Ready' was 10.8%</p> <p>Local Metric: Percentage of students scoring 'On Track for College and Career Ready' on the PSAT</p> <p>15. CAASPP Participation and Proficiency Rate: The rate for CAASPP has not been determined. Baseline data to be established in 2015-16.</p> <p>Local Metric: STAR/CAASPP ELA and Math Proficient or Advanced</p> <p>16. CTE Completion Rate. The District will increase the number of students enrolled in a CTE sequence from 1,475 to 1,600.</p> <p>Local Metric: Percent completing a CTE Course Sequence</p>			
Actions/Services	Scope of Service	Pupils to be served within identified scope of service	Budgeted Expenditures
1a: Each comprehensive high school will develop and implement an AP Plan that will outline what actions are being taken to increase enrollment in AP courses, increase the number of students taking the exam and increase the number of students scoring 3 or better. LCAP Year 2: 2016-17 Goal 1

Expected Annual
Measurable
Outcomes:

1. The District will increase the Graduation Rate by increasing student access and enrollment in all required areas of study. The graduation rate will increase to 83% based upon the 2015-16 data: The 2013-14 Graduation Rate was 80.8%
State Metric: High School Graduation Rate
Local Metric: Comparison of course enrollment by school in English, Math and Science courses.
2. The District will increase the A-G Completion Rate to 25% based upon the 2015-16 data: The 2013-14 A-G Completion Rate was 20.7%
State Metric: Share of students that are college and career ready.
Local Metric: Percent Completing UC/CSU Required Courses
3. The District will increase the percentage of students with an AP score of 3 or better to 40% based on the 2015-16 data: The 2013-14 Percentage of total tests with an AP score of 3 or better was 34%
State Metric: Share of students that pass Advanced Placement exams with a 3 or higher
4. The District will increase the EAP Ready for College Rate to 15% for ELA and 5% for Math. The 2014 EAP data was 12% for ELA and 3% for Math
State Metric: 2015 EAP test results
5. The District will increase the ELA CAHSEE Passing Rate to 83% based on the 2015-16 data: The 2013-14 CAHSEE Passing Rate was 79% for ELA
State Metric: Performance on standardized tests
Local Metric: CAHSEE ELA Passing Rate
6. The District will increase the Math CAHSEE Passing Rate to 87% based on the 2015-16 data: The 2013-14 CAHSEE Passing Rate was 83% for Math
State Metric: Performance on standardized tests
Local Metric: CAHSEE Mathematics Passing Rate
7. The District will increase the percentage of students scoring 4 or higher on the CELDT to 38% based on 2015-16 data: The 2013-14 percentage of students scoring 4 or higher on the CELDT was 34%
Local Metric: Percent of English Learners attaining English Proficient Level as measure by the CELDT
8. The District will increase the percentage of students meeting AMAO 1 to 58% based on the 2015-16 data: The 2013-14 percentage of students meeting AMAO 1 was 54%
Local Metric: Percent making progress towards English Proficiency (AMAO) 1)
9. The District will increase the percentage of students meeting AMAO 2a to 24% based on the 2015-16 data: The 2013-14 percentage of students meeting AMAO 2 less than 5 years was 22.9%
Local Metric: Percent in Cohort Attaining English Proficient Level (AMAO 2 <5 years)
10. The District will increase the percentage of students meeting AMAO 2b to 50% based on the 2015-16 data: The 2013-14 percentage of students meeting AMAO 2 more than 5 years was 44.9%
Local Metric: Percent in Cohort Attaining English Proficient Level (AMAO 2 >=5 years)
11. The District will increase the percentage of students meeting Reclassification criteria to 15% based on the 2015-16 data: The 2013-14 reclassification rate was 12.3%
State Metric: English Learner Reclassification Rate

12. The District will increase the percentage of students scoring 1500 or higher on the SAT to 25% based on the 2015-16 data: The 2013-14 percentage of students scoring 1500 or greater on the SAT was 22.07%
Local Metric: Percentage of students scoring > or equal to 1500 on the SAT
13. The District will increase the percentage of students meeting 4 or more criteria on the Physical Fitness Test to 75% based on the 2015-16 data: The 2013-14 average percentage of students meeting 4 or more criteria on the PFT was 69.8%
Local Metric: Physical Fitness Test for Grade 5, 7 and 9
14. The District will increase the percentage of 10th grade students scoring on track for college on the PSAT to 15% based on the 2015-16 data: The 2014-15 percentage of students that are 'On Track for College and Career Ready' was 10.8%
Local Metric: Percentage of students scoring 'On Track for College and Career Ready' on the PSAT
15. CAASPP Participation and Proficiency Rate: The rate for CAASPP has not been determined. Baseline data to be established in 2015-16.
Local Metric: STAR/CAASPP ELA and Math Proficient or Advanced
16. CTE Completion Rate. The District will increase the number of students enrolled in a CTE sequence from 1,600 to 1,800.
Local Metric: Percent completing a CTE Course Sequence

GOAL 2:	Instruction: All Rialto USD schools will ensure all students will receive high quality initial grade level instruction in all core areas – English, Mathematics, Science and Social Studies.	Related State and/or Local Priorities: 1__ 2_X 3__ 4_X 5__ 6__ 7_X 8_X COE only: 9__ 10__ Local : Specify _____
Identified Need :	Based on the expected annual measurable outcomes, the District has identified gaps within our instructional program that need to be improved: graduation rate, low A-G completion rate, increase the percentage of students with an AP score of 3 or better, increase CAHSEE passing rate in ELA and Math, increase the percentage of students scoring 4 or higher on the CELDT, increase the percentage of students meeting AMAO 1 and 2. The District recognizes that specific actions and services need to be implemented to improve our overall instruction.	
Goal Applies to:	Schools: All Applicable Pupil Subgroups: All	
LCAP Year 1: 2015-16		
Expected Annual Measurable Outcomes:	<ol style="list-style-type: none"> 1. The total number of AP courses will increase by 2%. For 2014-15 school year the district offered 96 AP courses. Local Metric: Total number of AP courses as determined by master schedule 2. All school offering AVID will meet at least 10/11 AVID Essentials. Local Metric: AVID Annual Report provided by SBCSS 3. The District will expand AVID to one pilot elementary school. Local Metric: Number of grade levels participating in AVID at the elementary school. 4. The total number of Honors courses will increase by 2%. For the 2014-15 school year the district offered 94 HP courses. Local Metric: Total number of HP courses as determined by master schedule 5. The percentage of students scoring a C or better in an Honors course will increase by 2%. Local Metric: Mark Distribution Report to be prepared at the end of the 2014/15 school year to establish baseline. 6. The percentage of students taking a year 4 of Mathematics will increase by 2%. Local Metric: Transcript analysis to be completed at the end of the 2014/15 school year to establish baseline. 7. The percentage of students completing a year 3 of Science will increase by 2%. Local Metric: Transcript analysis to be completed at the end of the 2014/15 school year to establish baseline. 8. The percentage of students completing the Senior Survey will increase from 91% to 93% Local Metric: Senior Survey completion rate as determined by the total number of grade 12 students 9. The percentage of students scoring “met” or higher on the Smarter Balanced Interim Cumulative Assessment will be established. Baseline data to be determined during 2015-16 school year. State Metric: Smarter Balanced Interim Cumulative Assessments 10. The percentage of students in grades 5, 8 and 10 scoring proficient or advanced on the Science CST/CMA/CAPA will increase by 5%. The 2013-14 percentage for 5th grade was 54%, 8th grade was 63% and 10th grade was 47% State Metric: STAR/CAASPP Science Proficient or Advanced 11. The District will ensure that all math and English courses will be aligned to Common Core State Standards Local Metric: Listing of Math and English courses and alignment to Common Core State Standards.

GOAL 3:	Intervention: All Rialto USD schools will provide timely systematic interventions for all students not meeting grading level expectations.	Related State and/or Local Priorities: 1__ 2_ <u>X</u> 3__ 4_ <u>X</u> 5_ <u>X</u> 6__ 7_ <u>X</u> 8_ <u>X</u> COE only: 9__ 10__ Local : Specify _____
Identified Need :	Based on the expected annual measurable outcomes, the District is not meeting the academic needs of all students. The District continues to identify specific students not meeting grade level expectations and students who are not on track to graduate. Our District recognizes that a systematic Response to Intervention system needs to be created and implemented District-wide. Specific actions and services related to CAHSEE and graduation rate need to be implemented to close the identified gaps: graduation rate at 80.8%, low A-G completion rate, increase the percentage of students with an AP score of 3 or better, increase CAHSEE passing rate in ELA and Math, increase the percentage of students scoring 4 or higher on the CELDT, increase the percentage of students meeting AMAO 1 and 2.	
Goal Applies to:	Schools: All Schools Applicable Pupil Subgroups: Below grade level and at risk students	
LCAP Year 1: 2015-16		
Expected Annual Measurable Outcomes:	<ol style="list-style-type: none"> The District will decrease the number of students that are credit deficient each semester as measured by the Graduation Credit Report. Baseline data will be established at the end of the 2014/15 school year. Local Metric: Graduation Credit Report from Synergy The District will increase the percentage of students reading at or above benchmark in grade 3 to 65% as measured by the DIBELS Benchmark Report: For 2014-15, the percentage of students reading at or above benchmark for grade 3 was 62%. Local Metric: DIBELS Benchmark Report The District will increase the percentage of students reading 50th percentile or greater to 35% as measured by the STAR Reading Report: For 2014-15, the percentage of students reading 50th percentile or greater as measured by STAR was 28% Local Metric: STAR Consolidated Report The District will increase the percentage of students scoring proficient on the First in Math Just the Facts (JFT) 100 by 2%. For 2014-15, the percentage of students in grade 3-8 that are proficient or higher was 68.2% (5,321 students). Local Metric: First in Math Just the Facts (JTF) 100 The District will increase the percentage of students scoring proficient or higher on the First in Math What Do You Know (WDYK) TBD. The baseline data will be determined at the end of the 2014/15 school year. Local Metric: First in Math What Do You Know (WDYK) The percentage of students scoring a D or F will decrease by 5%. Baseline data to be determined at the end of the 2014/15 school year. Local Metric: Mark Distribution Report from Synergy The percentage of students scoring “below and approaching” on the Smarter Balanced Interim Cumulative Assessments. 	

Baseline data will be established during the 2015-16 school year.
State Metric: Smarter Balanced Interim Cumulative Assessments
 8. The total number of students who qualify for SES tutoring will decrease by 5%.
Local Metric: SES Tutoring enrollment report
 9. The total number of students who qualify for summer school will decrease by 5%.

LCAP Year 2: 2016-17 Goal 4

Expected Annual Measurable Outcomes:

1. 90% of all classroom teachers will be trained in Accountable Talk as measured by My Learning Plan.
Local Metric: Number of staff trained as determined by reports from My Learning Plan
2. 90% of all classroom teachers will be trained in Close and Critical Reading as measured by My Learning Plan.
Local Metric: Number of staff trained as determined by reports from My Learning Plan
3. 90% of all elementary teachers and all secondary math teachers will be trained in the Math Practices as measured by My Learning Plan.
Local Metric: Number of staff trained as determined by reports from My Learning Plan
4. 90% of all elementary teachers and all secondary ELA, Science and History/Social Studies teachers will be trained in writing across the curriculum and 6+1 Traits
Local Metric: Number of staff trained as determined by reports from My Learning Plan
5. The percentage of teachers trained in Accountable Talk, Close and Critical Reading, Math Practices and Writing that rank their experience as a 4 or higher based on the Professional Development Survey will increase by 5%. Baseline data to be determined at the end of the 2014/15 school year.
Local Metric: Professional Development Training Survey results
6. 90% of all classroom teachers will demonstrate implementation of Accountable Talk as measured by the Edivate walk through form.
Local Metric: Edivate walk through form Section 4; Items 2, 3
7. 90% of all classroom teachers will demonstrate implementation of Close and Critical Reading strategies as measured by the Edivate walk through form.
Local Metric: Edivate walk through form Section 2; Items 2, 3
8. 90% of all elementary teachers and all secondary math teachers will demonstrate implementation of the Mathematical Practices as measured by the Edivate walk through form.
Local Metric: Edivate walk through form Section 5; Items 1, 2, 3
9. 90% of all elementary teachers and all secondary ELA, Science and History/Social Studies teachers will demonstrate implementation of writing strategies as measured by the Edivate walk through form.
Local Metric: Edivate walk through form Section 3; Items 1, 2, 3
10. The percentage of parents taking District offered workshops and classes and graduating from the Parent Involvement courses will increase by 10%.
Sate Metric: Promotion of Parent Participation
Local Metric: 10% increase of parent involvement and parents participating in District offered courses, and graduating from the Parent University and Parent Safety courses.

LCAP Year 3: 2017-18 Goal 5

Expected Annual
Measurable
Outcomes:

1. The District will maintain the annual Attendance Rate above 96%: The 2014-15 Attendance Rate through January 31, 2015 was 96.58%
State Metric: Attendance Rate
2. The District will maintain the annual Chronic Absent Rate below 8%: The 2013-14 Chronic Absenteeism Rate was 7.18%
State Metric: LCAP Defined Chronic Absenteeism Rate
3. The District will maintain the annual Dropout Rate at 8% as measured by the 2015-16 data: The 2013-14 Cohort Dropout Rate was 10%
State Metric: High School Dropout Rate, Middle School Dropout Rate
4. The District will increase the Graduation Rate to 87% based upon the 2015-16 data: The 2013-14 Graduation Rate was 80.8%
State Metric: High School Graduation Rate
5. The District will maintain the annual Suspension Rate at 8% based upon the 2015-16 data: The 2013-14 Suspension Rate was 8.5%
State Metric: LCAP Defined Suspension Rate
6. The District will maintain the annual Expulsion Rate at 0.2%.
State Metric: LCAP Defined Expulsion Rate
7. The District will maintain the Teacher Assignment rate above 99%: The 2013-14 Teacher Assignment Rate was 99.8%
State Metric: Credentialed Teacher Rate; Teacher Misassignment Rate
8. The District will maintain meeting the Williams Compliance: The 2013-14 Williams Compliance was met
State Metric: Overall Facility Rating; Student Lacking Copy of Textbook Rate
9. The District will increase the percentage of parents completing the Parent University Classes and the District-wide Parent Survey.
State Metric: Efforts to seek parent input.
Local Metric: Parent Survey: The parent survey is in process of being developed.
11. The District will increase the percentage of students completing the Student Survey by TBD. Baseline to be established at the end of the 2014/15 school year.
Local Metric: Student Survey: The student survey has been developed and is in process of collecting data.

Actions/Services	Scope of Service	Pupils to be served within identified scope of service	Budgeted Expenditures
5a: Each high school will implement a school wide mentoring program to support students' engagement with the school environment.	High Schools	X ALL	No Additional Cost
		OR: __Low Income pupils __English Learners __Foster Youth __Redesignated fluent English proficient __Other Subgroups:(Specify)_____	

5b: Each high school will hold 9 th grade orientation and a minimum of one parent College Night to inform parents and guardians of the requirements for graduation, A-G and four year plan. Complete a copy of this table for each of the LEA's goals. Duplicate and expand the fields as necessary.

Annual Update

Annual Update Instructions: For each goal in the prior year LCAP, review the progress toward the expected annual outcome(s) based on, at a minimum, the required metrics pursuant to Education Code sections 52060 and 52066. The review must include an assessment of the effectiveness of the specific actions. Describe any changes to the actions or goals the LEA will take as a result of the review and assessment. In addition, review the applicability of each goal in the LCAP.

Guiding Questions:

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific schoolsites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Complete a copy of this table for each of the LEA's goals. Duplicate and expand the fields as necessary.

What changes in actions, services, and expenditures will be made as a result of reviewing past progress and/or changes to goals?		Goal 1 was too broad to bring clarity to the actions and services needed to service our student population and District. The actions and services also included items related to the general operation of the District that were not specific to the educational plan. These general operation items have been removed for the 2015-16 LCAP. As a result of various stakeholder’s input, analysis of student achievement data, and completing the services and actions update for the 2014-15 LCAP, it was determined that two overarching			

goals did not meet the needs of the district. Therefore, a careful analysis of our '14-15 actions and services and stakeholder input led us to six reoccurring themes:

- Implement Common Core State Standards
- Reduce achievement gaps in student subgroups
- Personnel to support schools for intervention (RtI)
- Training for Professional Learning Communities
- Funding and training for Positive Behavior Intervention Systems (PBIS)
- Funding and expansion for AVID
- Funding for staffing in the Visual and Performing Arts at the elementary schools
- Technology support and integration with curriculum

From the recurring themes listed above and the input of various stakeholders, and analysis of student achievement, we kept goal 1 and created five additional specific and targeted goals that were based on our findings and stakeholder's input for 2015-2018:

Goal:

1. **Achievement:** All Rialto USD students will succeed at every grade level and graduate high school demonstrating readiness for higher education, career, and life in the 21st Century.
2. **Instruction:** All Rialto USD schools will ensure all students will receive high quality initial grade level instruction in all content areas.
3. **Intervention:** All Rialto USD schools will provide timely systematic interventions for all students not meeting grading level expectations.
4. **Professional Learning:** Rialto USD will promote a professional learning community that creates a culture of continuous improvement geared toward student achievement.
5. **School Environment:** Rialto USD will create a positive, safe, and engaging learning environment that is student and parent centered.
6. **Technology:** Rialto USD will improve and extend teaching and learning through increased technology access and meaningful use of technology developing responsible digital citizens.

Actions and services were organized under the reoccurring themes. Additional actions and services were developed to fill in gaps and address the needs of the students.

Original GOAL from prior year LCAP:	Goal 2: All Rialto USD students will succeed at every grade level and graduate high school demonstrating readiness for higher education, career, and life in the 21st Century.		Related State and/or Local Priorities: 1 <input type="checkbox"/> 2 <input checked="" type="checkbox"/> 3 <input type="checkbox"/> 4 <input checked="" type="checkbox"/> 5 <input checked="" type="checkbox"/> 6 <input checked="" type="checkbox"/> 7 <input checked="" type="checkbox"/> 8 <input checked="" type="checkbox"/> COE only: 9 <input type="checkbox"/> 10 <input type="checkbox"/> Local : Specify _____																			
Goal Applies to:	Schools:	LEA-Wide																				
	Applicable Pupil Subgroups:																					
Expected Annual Measurable Outcomes:	1. Increase Graduation Rate to 81.4% 2. Increase A-G Completion Rate to 16.5% 3. Increase CAHSEE Passing Rate to 81% in ELA 4. Increase CAHSEE Passing Rate to 84% in Mathematics 5. Increase the EAP Readiness Rate to 12% in ELA 6. Increase the EAP Readiness Rate to 7% in Mathematics 7. Increase enrollment in year 3 math and science by 1% 8. Increase the AP Achievement score by 1% 9. Increase the CTE completion rate by 1%		Actual Annual Measurable Outcomes:	1. The 2013-14 Graduation Rate increased to 80.8% 2. The 2013-14 A-G Completion Rate decreased to 20.7% 3. The 2013-14 CAHSEE Passing Rate decreased to 79% in ELA 4. The 2013-14 CAHSEE Passing Rate stayed at 83% in Mathematics 5. The 2013-14 EAP Readiness Rates increased to 12% in ELA 6. The 2013-14 EAP Readiness Rates decreased to 3% in Mathematics 7. The 2013-2014 year 3 math classes taken was at 82% yr 3 science classes taken at 66.5%. The 2014-2015 year 3 math class taken was at 81%, science was at 67.2%. This is a 1% decrease in higher math classes taken and a 0.7% increase in higher science classes taken. 8. The way AP data is calculated was changed for 2013-14. 9. Note the data on 2012-2013 might be a little misleading as it was the first year of CALPADS data collection on CTE. Also this year with the opening of the Culinary Academy at the Cesar Chavez center both RHS and EHS enrollment went down in CTE <div style="text-align: center;">CTE Completers</div> <table border="1"> <thead> <tr> <th></th> <th>EHS</th> <th>RHS</th> <th>CHS</th> <th>MHS</th> <th>ZHS</th> </tr> </thead> <tbody> <tr> <td>2012-2013</td> <td>80</td> <td>76</td> <td>14</td> <td>6</td> <td>5</td> </tr> <tr> <td>2013-2014</td> <td>25</td> <td>26</td> <td>0</td> <td>0</td> <td>0</td> </tr> </tbody> </table>		EHS	RHS	CHS	MHS	ZHS	2012-2013	80	76	14	6	5	2013-2014	25	26	0	0	0
	EHS	RHS	CHS	MHS	ZHS																	
2012-2013	80	76	14	6	5																	
2013-2014	25	26	0	0	0

4. **Professional Learning:** Rialto USD will promote a professional learning community that creates a culture of continuous improvement geared toward student achievement.
5. **School Environment:** Rialto USD will create a positive, safe, and engaging learning environment that is student and parent centered.
6. **Technology:** Rialto USD will improve and extend teaching and learning through increased technology access and meaningful use of technology developing responsible digital citizens.

Actions and services were organized under the reoccurring themes. Additional actions and services were developed to fill in gaps and address the needs of the students.

Complete a copy of this table for each of the LEA's goals in the prior year LCAP. Duplicate and expand the fields as necessary.

Section 3: Use of Supplemental and Concentration Grant funds and Proportionality

- A. In the box below, identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5).

Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a districtwide, schoolwide, countywide, or charterwide manner as specified in 5 CCR 15496.

For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a schoolsite in the LCAP year, when using supplemental and concentration funds in a districtwide or schoolwide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district's goals for unduplicated pupils in the state and any local priority areas. (See 5 CCR 15496(b) for guidance.)

Total amount of Supplemental and Concentration grant funds calculated:	\$ 37,997,957
<p>Rialto Unified School District offered a variety of programs and support structures specifically for English Learners, low income students and foster youth.</p> <p>District-wide:</p> <ul style="list-style-type: none"> • District lead coaches for ELA/ELD (3 elementary and 1 secondary), Math lead coaches (1 elementary and 1 secondary). District lead coaches will provide instructional support and professional development training to the Continuation High School. • K-5 Instructional Support Strategists for all 19 elementary schools to provide instructional support/coaching and RtI Tier III intervention. • At each of the five middle schools, grades 6-8 Instructional Coaches for ELA and mathematics with EL and literacy support, providing instructional support/coaching for teachers and assisting with interventions. • At each of the three comprehensive high schools for grades 9-12 Instructional coaches for ELA (3), and mathematics (3) to provide instructional support, coaching, intervention, and three EL coaches at each high school to specifically monitor EL student academic achievement. • Five music specialists for elementary music in grades 4 and 5, and four VAPA teachers for grades 1 – 5th for 18 elementary schools. (One of the 19 elementary school is designated as VAPA). 	

- Instructional Technology Assistants at 19 elementary schools to provide support to students and teachers in the use of instructional technology and computer adaptive software and programs.
- One Behavior Specialist and two behavior aides to improve the use of coordinated behavior plans for both mainstream and special education students.
- STAR Reading for grades 1-8th.
- SIPPS for grades K-6th and middle school special education students.
- First in Math for grades 1-5th and special education at the middle schools.
- A team from all secondary schools and one elementary school will be provided CCSS aligned AVID strategy training.
- The District will develop and provide professional development in RtI, CCSS, reading and math, close and critical reading, accountable talk, model lessons, and mathematical practices.
- The District will provide Professional Learning Community (PLC) training using Solution Tree to a District guiding coalition team for all K-12 schools.
- The District will provide a district-wide classroom walk-through software monitoring tool, and technology based access to professional development best instructional practices videos.

Targeted:

- 46 bilingual instructional aides in elementary and secondary schools.
- Professional learning that addresses research –based EL instructional strategies that can be applied to all content areas.
- Inclusion of Positive Behavior intervention Support (PBIS) in 19 schools.
- Response to Intervention (RtI 2) plans and strategies.
- Identified counselors assigned for Foster Youth.
- 3 PBIS/at risk high school counselors to identify students that are credit deficient and monitor to meet the requirements of AB1802.
- Purchase ALEKS to inform instruction and student readiness and gaps in mathematics.
- Purchase APEX for each high school (3 comprehensive, continuation, and independent study) for students who are credit deficient.
- Retain school Resource Officers for each of the comprehensive high schools.
- Maintain an additional nurse to decrease the number of students with chronic absenteeism.
- Implement a District Centralized Home Visitation Team which includes a SRO, Probation Officer, and a District McKinney Vento Foster Youth Liaison.

The district recognizes that while Supplemental and Concentration Grant funds were generated in order to serve targeted student subgroups, services are also utilized for students outside the focus subgroups. While the majority of students served are focus students (more than eighty

percent), there are other students in need that the District cannot ignore. By providing the services identified without limitations, RUSD serves all students, especially focus students. The full list of expenditures were aligned to the specific goals of the RUSD Local Control and Accountability Plan and address the needs of our District's English Learners, low income students and foster youth.

- B. In the box below, identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR 15496(a).

Consistent with the requirements of 5 CCR 15496, demonstrate how the services provided in the LCAP year for low income pupils, foster youth, and English learners provide for increased or improved services for these pupils in proportion to the increase in funding provided for such pupils in that year as calculated pursuant to 5 CCR 15496(a)(7). An LEA shall describe how the proportionality percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.

19.78	%
-------	---

Consistent with the requirements of 5CCR15496, the actions and services provided in the LCAP year demonstrate increased and improved services for the unduplicated pupils as described below:

- Increase of 19 Elementary Instructional Support Teachers to provide coaching to K-5 teachers and Tier III RtI interventions that promote subgroup success.
- Increase 8 Literacy Strategists and 8 Math Strategists at secondary schools to provide coaching and support to teachers in best instructional strategies and practices.
- Increased from 3 to 24 elementary and secondary Instructional Technology Assistants to provide instructional support in the use of technology for instruction and to support in the use of learning software programs, computer labs, and state testing
- Increase opportunity for college and career readiness with comprehensive access to AVID, Middle College High School, Programs of Study, College Board, 7th and 8th grade PSAT, and 10th grade PSAT.
- Increase of secondary instructional programs ALEKS, APEX, and Linked Learning targeted to at-risk students.
- Improve the Implementation of PBIS with the expansion of adding 6 more schools for a total of 19 PBIS trained schools.
- Improved Staff Development from the addition of lead math and ELA/ELD District lead strategists and K-12 site strategists/math/ELA/ELD

coaches.

- PBIS/at-risk high school counselors designated to monitor and support at-risk students.

LOCAL CONTROL AND ACCOUNTABILITY PLAN AND ANNUAL UPDATE APPENDIX

For the purposes of completing the LCAP in reference to the state priorities under Education Code sections 52060 and 52066, the following shall apply:

(a) “Chronic absenteeism rate” shall be calculated as follows:

- (1) The number of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30) who are chronically absent where “chronic absentee” means a pupil who is absent 10 percent or more of the schooldays in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(b) “Middle School dropout rate” shall be calculated as set forth in California Code of Regulations, title 5, section 1039.1.

(c) “High school dropout rate” shall be calculated as follows:

- (1) The number of cohort members who dropout by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(d) “High school graduation rate” shall be calculated as follows:

- (1) The number of cohort members who earned a regular high school diploma [or earned an adult education high school diploma or passed the California High School Proficiency Exam] by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(e) “Suspension rate” shall be calculated as follows:

- (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(f) “Expulsion rate” shall be calculated as follows:

- (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).
