

# Open enrollment planning isn't complete until you have Aflac

## Aflac for Rialto Unified School District

Who hasn't been blindsided by an unexpected medical bill? That's why there's Aflac. Aflac can help take care of the expenses health insurance doesn't cover, so you can take care of everything else.

## Aflac supplemental insurance

Our product portfolio is as broad as your needs, with individual and group plans that help cover the expected – and unexpected – that's sure to come life's way.

**Short-Term Disability:** How would you pay your bills if you're disabled and can't work? An Aflac short-term disability insurance policy can help provide you with a source of income while you concentrate on getting better.

**Critical Illness (Specified Health Event):** An Aflac specified health event insurance policy is designed to help with the costs of treatment if you experience a covered health event.

**Accident:** Accidents happen. When a covered accident happens to you, our accident insurance policy pays you, unless assigned otherwise cash benefits to help with the unexpected medical and everyday expenses that begin to add up almost immediately.

**Cancer/Specified-Disease:** Aflac's cancer/specified-disease insurance policy can help you and your family better cope financially if a positive diagnosis of cancer ever occurs.

**Hospital Confinement Indemnity:** Hospital stays are expensive. An Aflac hospital confinement indemnity insurance policy can help ease the financial burden of hospital stays by providing cash benefits.
