

2021-2022 REOPEN

Students return August 9, 2021

First two days of school are minimum days from 8:40 am- 12:54 pm. Lunch is 1:02-1:37 pm

The regular school day begins at 8:40 am and dismisses at 3:33 pm

Due to the need to screen temperature each day, students staff may enter campus:

Before 8:00 am the only entrance to students and staff will be through the front office

After 8:00 am, students and staff may enter at the A-Building gate, North pedestrian gate, and the Main Office

At the end of the school day, students and staff may exit through multiple exit points

(A) Lunch will begin at 11:55 am and end at 12:30 pm

(B) Lunch will begin at 12:56 pm and end at 1:31 pm

In accordance with district policy, dropping off lunch to the campus will not be permitted

HEALTH CARE

Students are expected to follow school and district rules and COVID protocols. Parents should keep students at home if they are feeling ill. Please consult your physician if your child has been exposed to COVID-19. Students who exhibit symptoms may return to campus within 24 hours if they are fever free without medications and must have one of the following: (1) negative COVID test, (2) return to school note from a licensed physician, or (3) 10 days have passed from onset of symptoms. Any person with a positive test result who is asymptomatic should self quarantine. Those individuals who are fully vaccinated are not required to quarantine and have no symptoms do not need to quarantine following a possible or confirmed exposure.

PREVENTITIVE MEASURES

Health and safety protocols are posted at entryways

Social distancing of up to 3 feet within the classroom

Visitors are limited to business affairs only

Students and staff must wear mask when indoors except when eating and drinking

Classrooms are disinfected at end of day or as needed, desk after each class period

Air purifiers have been placed in all classrooms

Hand washing stations and PPE equipment provided

Daily temperature checks for students and staff upon entering campus

Daily health screening for all staff

Hand washing signs at various locations promoting 20 seconds of proper hand washing

Because water faucets are off limits, bottle filling stations are available

(Students are encouraged to bring their own bottle)

Isolation room for students with a temperature higher than 100.4 while awaiting parent pick up
