The mission of Jehue Middle School, the compass that guides students on their pathway to success, is to inspire creativity and learning through building relationships with all students, families, staff, and members of the community to enrich their foundation for lifelong learning, through a vital system distinguished by: Providing a safe and welcoming environment that embraces cultural diversity; Utilizing technology to promote creative learning; Offering opportunities for parent and community involvement; Increased student learning expectations; Professional growth opportunities

Re-opening Plan

Entering campus

- All students and staff will have their temperature checked upon entering the campus.
- Masks will be required throughout campus and provided for any student who does not have one.
- Consistent and correct mask use protects others as well as themselves. Masks are required to be worn by everyone even if vaccinated.
- Students that have a temperature of 100.4 F will be taken to our designated Isolation Room and parents will be contacted to pick up their student.

Passing period

- All students are required to go directly to class following regular traffic route
- Teachers and staff members will help usher students to their classrooms.
- Hand sanitizer stations are located in the halls

Class

- Air purifiers and sinks for hand washing are in every classroom
- Hand sanitizer will be available at the start and end of the period in every classroom.
- Desks and chairs will be sprayed by the teacher and wiped by the students before the end of each period.
- Custodians will clean and sanitize the classrooms and restrooms nightly.
- Headphones will be provided to each student and will not be returned.

Lunch

- Students are encouraged to practice social distancing

Exiting campus

- Students will be ushered off campus via the gates on Eucalyptus unless they are in a sport, club or tutoring
- Students are encouraged to go straight home.

Working Together

In our efforts to provide the best and safe learning environment for our students, we are counting on everyone's understanding and support. Please help us by:

- Developing a school culture that promotes COVID-19 prevention strategies.
- Use a progressive approach to educate our students on our expectations about consistent and correct mask use.
- Teachers and students work together to make sure desks and chairs are sanitized.
- Let's work together to usher' our students into their classrooms. Great opportunity to greet our students and make them feel welcomed to our school.
- We appreciate your patience and understanding with these changes for a safe return to school.
