Student Release Authorization

I understand that my child must be signed out of the program every day by an authorized adult (18 years or older with picture ID) unless the district/charter and/or school allow students to walk or ride the bus home alone and the Permission to Walk/Ride Bus Home Alone form has been submitted. In addition to the parent/legal guardian(s) indicated, I will use the Authorized Contact page of this portal to add additional person/s authorized to pick up this student. I acknowledge it is my responsibility to use the Authorized Contact page of this portal to maintain current contact information and active/inactive status for each Authorized Contact.

I understand that in case of emergency, a child may be released to law enforcement personnel if the parent/legal guardian or authorized emergency contact person(s) listed above cannot be reached. I also understand that I may authorize my child be dismissed early from program on both an occasional or recurring basis, including to attend an on-site/off-site program/ activity not supervised by Think Together. The activity may be administered by school district/charter personnel and/or a third-party provider. I understand that when my child is dismissed early, a parent or other authorized person will be required to document the time and reason for the early release, and in cases of recurring early release, I will be required to complete Think Together's Late Arrival/Early Release form.

Any person to whom your child may NOT BE LEGALLY RELEASED? Court-issued (custody/restraining) order must be on file, if applicable. Note: Student information is available to either parent unless there is a court order to the contrary, and if there is, a copy of that court order needs to be provided.

Name of person to not release the student to:

OPTIONAL: Please upload any applicable custody documents here
